Department of Family & Community Science,
CMS College, Kottayam

Dear sir / madam,

The D & FSM family of CMS College, Kottayam is extremely delighted to invite you for the World Diabetic day celebration, **DIA FEST – 2K17 on 14th November** at e-learning centre, CMS College campus, Kottayam.

ABOUT THE COLLEGE AND THE DEPARTMENT

The CMS College, Kottayam founded by the Church Missionary Society of England in 1817, is one of the oldest institution of higher education in India. The college is affiliated to MG University, Kottayam and is recognised as a college with potential by UGC and reaccredited by NAAC with 'A' Grade.

The Department of Family & Community Science came into existence in 1959 and has been imparting quality education to the students by upholding the basic values of life.

The post graduate programme in D& FSM is multidisciplinary in nature. The main focus of the programme is to impart holistic health culture, socio cultural development, educational and economic empowerment of the students through professional training.

ABOUT THE PROGRAMME

Diabetes is the ninth leading cause of death in women globally, causing 2.1 million deaths per year. Two out of every five women with diabetes are of reproductive age, accounting for over 60 million women worldwide. The theme of World Diabetes Day 2017 is **Women and diabetes - our right to a healthy future**. All women with diabetes require affordable and equitable access to care and education to better manage their diabetes and improve their health outcomes.

As a part of WORLD DIABETIC DAY celebrations, D & FSM, Dept. Of Family & Community Science is organising an invited talk, poster competition for PG students and power point presentation competition for Degree students.
