WATER QUALITY MONITORING

Value Added Course for the academic year 2017-18

Report on the Add on Course "Water Quality Monitoring"

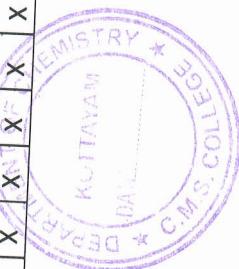

An Add On Course on "water quality monitoring" was organized by the Department of Chemistry ,CMS College Kottayam conducted in the academic year 2017-18. This course enables the students to analyze the various physical, biological and chemical dimensions of both ground and surface water as per the standard procedure put forward by World Health Organization. Students also developed awareness about safe laboratory practices. This course impart theoretical knowledge and practical skills on analysis of ground and surface water. A total of 125 students took admission for the course. There were 15 hours of theory class and 15 hours of practical sessions.
