

**Department Of Chemistry, CMS College
Special Seminar**

Prof. Hassan Y. Aboul-Enein, Ph.D.

“Modern Chromatographic Techniques”

**Chemistry Seminar Hall / E-Learning Center
Thursday October 15, 2015
9:00am**

A Brief Bio: Prof. Hassan Y. Aboul-Enein is a Professor at the Pharmaceutical and Medicinal Chemistry Department, National Research Center in Cairo, Egypt and the Chemistry Department. He has authored over **950 peer-reviewed publications and 85 reviews, 45 book chapters and 8 books** in the field of analytical chemistry.

He is an Editorial Board member of about **22 journals** including Analytica Chimica Acta, Chirality, Biomedical Chromatography, Critical Reviews in Analytical Chemistry, Analytical Letters, (Assistant Editor) Chromatographia, Current Analytical Chemistry, Journal of Chromatographic Science (Associate Editor).
