### ACKNOWLEDGEMENTS

The Board of Studies in Commerce (Post Graduate) Department of Commerce CMS College takes this opportunity to express our deep appreciation to all academicians and representatives from the industry who participated in the numerous meetings that were arranged during the year held at CMS College.

Our heartfelt gratitude to Dr. N. J. Rao Former Professor Indian Institute of Science for the 2 day workshop on curriculum designing and to Dr. T P Sasikumar Former Professor ISRO for the 2 day curriculum workshop and to Dr. C James Scott Christian College for the workshop on question bank design.

We place on record our thanks to the members of the board of studies

Dr.Tomy Mathew Chairman Board of Studies

Kottayam 28.3.2019

### PREFACE

In this critical juncture when the nation aspires to be the emerging global leader in various areas the demand for a highly qualified and trained workforce assumes paramount importance. The quality of this efficient workforce depends on a highly efficient and focused higher education system. The post graduate curriculum should directly address among other objectives the grooming individuals towards teaching research employment with thrust on real time needs. As in the present scenario when business and commerce has a direct impact on the livelihood of human lives around the world the quality of commerce and business education is becoming increasingly important.

A standardised curriculum in alignment with the real time needs will determine the quality of work skill that future generations will rely on. The curriculum must be able to enhance the existing frontiers of business education and throw open before students a business world which will determine their future. In this regard updating the syllabus is paramount to any autonomous academic system. The syllabus should as already mentioned have a thrust on real time needs at the same time should aspire to accommodate the inevitable changes in the business environment. This syllabus attempts to incorporate such demands at the same time give a solid foundation in commerce business accounting and finance.

### REGULATIONS FOR POST GRADUATE PROGRAMMES UNDER CREDIT SEMESTER SYSTEM 2019

### **Preamble**

**CMS College Kottayam (Autonomous)** was conferred with the Autonomous status as per UGC No.F.22-1/2016(AC) Dtd. 9<sup>th</sup> March 2016 and Mahatma Gandhi U.O.No.2732/VII/2016/Acad. Dtd.12<sup>th</sup> May 2016.

### **REGULATIONS**

CMS College Kottayam (Autonomous) follows Credit Semester System (CSS) for the Post Graduate programmes from the Academic year 2019-20. The Post Graduate programmes of the college are being redesigned and revised in tune with the modifications effected at the UGC Curriculum Framework. This will be reflected in the scheme course content and mode of examination and Evaluation system. The scheme and syllabus of all the programmes are being revised accordingly. The revisions were effected based on the recommendations made at the Curriculum Revision workshops conducted for the purpose besides several sittings of the Curriculum Revision Committee.

### 1. TITLE

1.1. These regulations shall be called "CMS COLLEGE KOTTAYAM (AUTONOMOUS) REGULATIONS FOR POST GRADUATE PROGRAMMES UNDER CREDIT AND SEMESTER SYSTEM 2019"

### 2. SCOPE

- **2.1** Applicable to all regular Postgraduate Programmes conducted by the CMS College Kottayam (Autonomous) with effect from 2019 admissions.
- 2.2 Medium of instruction is English unless otherwise stated therein.

### 3. **DEFINITIONS**

- **3.1.** Academic Week is a unit of five working days in which the distribution of work is organized from day one to day five with five contact hours of one hour duration on each day.
- **3.2.** Semester means a term consisting of **90** working days within **18** five-day academic weeks for teaching learning and evaluation.
- **3.3. Programme** means a two year programme of study and examinations spread over four semesters with a set of courses the successful completion of which would lead to the award of a degree.

- **3.4.** Course comprises a set of classes or a plan of study on a particular subject which will be taught and evaluated within a semester of a study programme.
- **3.5.** Core course means a course which should compulsorily be studied by a student as requirement in the subject of specialization within a degree programme.
- **3.6. Elective Course** means an elective course chosen from the discipline/ subject in an advanced area.
- **3.7.** Credit is the numerical value assigned to a course according to the duration of the classes or volume of the syllabus of the course.
- **3.8. Department** means any teaching department in the college.
- **3.9. Dean of Academic Affairs** is a teacher nominated by the Academic Council to coordinate the academic affairs of the college relating to academic planning curriculum implementation and review.
- **3.10. Dean of Student Affairs** is a teacher nominated by the Academic Council to coordinate the admissions grievances and other student related services.
- **3.11. Department Council** means the body of all teachers of a department in the college.
- **3.12. Department Coordinator** is a teacher nominated by a Department Council to coordinate the <sup>In</sup>-Semester examination of the PG programme in that department.
- **3.13. Faculty Advisor** means a teacher from the parent department nominated by the Department Council who will advise the students of a class on academic matters.
- **3.14. Course Teacher** means a teacher who is in charge of a course. If a course is taught by more than one teacher one teacher should be assigned as course teacher nominated by the HOD. The course teacher shall be responsible for the valuation of answer scripts of examinations and other continuous assessments.
- **3.15. In-Semester Assessment (ISA)** means assessment consisting of Attendance Assignment/Seminar/Viva voce and Examination (theory and practical).
- **3.16. End Semester Assessment (ESA)** means Examination conducted at the end of each semester for all courses (theory and practical).
- **3.17. Internal Examiner** means a teacher working in the college.
- **3.18. External Examiner** means a teacher from outside the college.
- **3.19. Grace Marks** shall be awarded to candidates as per the orders issued by Mahatma Gandhi University.
- **3.20. Grade** means a letter symbol (A B C etc.) which indicates the broad level of performance of a student in a Course/ Semester/Programme.
- **3.21. Grade Point** (GP) is the numerical indicator of the percentage of marks awarded to a student in a course.
- **3.22. College Average (CA)** means average mark secured (ISA+ESA) for a course at the college level.
- **3.23.** Words and expressions used and not defined in this regulation shall have the same meaning assigned to them in the Act and Statutes of the University UGC Regulations and the Constitution of the CMS College Kottayam (Autonomous).

### 4. ELIGIBILITY FOR ADMISSION AND RESERVATION OF SEATS

Eligibility for admission norms for admission and reservation of seats for various Postgraduate Programmes shall be according to the regulations framed/orders issued by Govt. of Kerala Mahatma Gandhi University and CMS College Kottayam in this regard.

### 5. PROGRAMME STRUCTURE

- **5.1** The nomenclature of all PG programmes shall be as per the specifications of University Grants Commission and the Mahatma Gandhi University.
- **5.2** Credit Semester System (CSS) will be followed for all PG Programmes from the academic year 2019–2020.
- **5.3** All the PG Programmes will be of two-year duration with four Semesters. A student may be permitted to complete the Programme on valid reasons within a period of 8 continuous semesters from the date of commencement of the first semester of the programme.
- **5.4** There will be three/four/five courses in each semester and one viva voce and dissertation at the end of the fourth semester.
- **5.5** There will be three components for the programme viz. core course elective course and project spread over four semesters.
- **5.6** The total credits required for completing a PG Programme is **80**.
- **5.7** The Syllabus for all courses in each semester has been divided into five modules based on certain thematic commonalities.

### 6. EVALUATION SYSTEM

- i. The evaluation scheme for each course shall contain two parts:
  (a) In-Semester Assessment (ISA)
  (b) End-Semester Assessment (ESA)
- ii. The proportion of ISA to ESA will be 1:3.
- iii. The marks secured for each course shall be converted as grades. The grades for different semesters and overall programme are assigned based on the corresponding semester grade point average and cumulative grade point average respectively.
- iv. A separate minimum of 40% is mandatory for both ISA and ESA to pass for every course.

### 6.1 EVALUATION OF THEORY COURSES

The marks allotted for theory courses in End-Semester Assessment shall be 120 and that for the In-Semester Assessment will be 40.

#### A. IN-SEMESTER ASSESSMENT

The In-semester assessment for theory is based on the marks obtained for Attendance Assignment Major Seminar and two Test Papers for a particular course.

### (i) Attendance

| Percentage of attendance | Mark |
|--------------------------|------|
| 90 and above             | 6    |
| 85 - 89                  | 5    |
| 80 - 84                  | 4    |
| 76 – 79                  | 3    |
| 75                       | 2    |
| Below 75                 | 0    |

Maximum marks = 6

### (ii) Assignment (One assignment per course)

| Mark |
|------|
| 2    |
| 3    |
| 2    |
| 1    |
|      |

Maximum marks = 8

#### (iii) Major Seminar

A student should present one Major Seminar in a Semester. The faculty advisor should allot students to the respective course teacher in a semester. The seminar topics shall be incorporated in the syllabus for each course/ declared in the beginning of each semester. The student shall prepare the seminar paper with the guidance of the course teacher. The student is expected to make a detailed presentation in a common session in the department with students and all course teachers. The student shall also make a brief conclusion including the future scope of studying the topic. The teacher in charge of the particular course has to act as the moderator for the seminar.

The course teachers of that semester shall evaluate the seminar and give marks for their course or the average mark of all the evaluators shall be taken as the seminar mark for each course of a semester.

| Evaluation Component         | Mark |  |
|------------------------------|------|--|
| Involvement/punctuality      | 1    |  |
| Review of related literature | 1    |  |
| Content                      | 3    |  |
| Presentation                 | 3    |  |
| Interactions/ justification  | 1    |  |
| Conclusion                   | 1    |  |

Maximum marks = 10

#### (iv) Test paper

For each course two In-Semester examinations of total 16 marks shall be conducted. One of the test paper will be centralized examination of 8 marks and the remaining 8 marks will be awarded with one or more class tests conducted by the course teacher.

### **B. END -SEMESTER ASSESSMENT**

End-Semester examinations for each course are conducted at the end of every semester with a maximum marks of 120. The examination for each course will have two components viz. descriptive test and an objective type test. Questions shall be set to evaluate the attainment of course outcomes. The question paper for each course will be generated from the Question Bank which is prepared by due mapping of Course outcomes and Program Specific Outcomes.

#### (i) Descriptive Test

A written examination with a maximum marks of 100 and of three hours duration will be conducted.

### **PATTERN OF QUESTIONS**

A question paper shall be a judicious mix of short answer type short essay/problem solving type and long essay type questions.

| No. | Section   | Type of<br>questions                       | Total<br>Question<br>s | Number<br>of<br>questions<br>to be<br>answered | Mark for<br>each<br>question | Total<br>Marks |
|-----|---|--|------------------------|--|------------------------------|----------------|
| 1   | Section A   | Short answer type                          | 8                      | 5  | 4                            | 20             |
| 2   | Section B<br>(One pair<br>should be<br>from each<br>module) | Short<br>essay/proble<br>m solving<br>type | 10<br>(Either/o<br>r)  | 5  | 8                            | 40             |
| 3   | Section C   | Long essay<br>type                         | 4                      | 2  | 20                           | 40             |
|     | Total   |  | 22                     | 12   | -                            | 100            |

#### (ii) Objective Test

A Multiple Choice Objective type Test shall be a component of the Endsemester examination which will be conducted in the online mode for each course. The marks obtained shall be converted into 20. The objective type examination for all courses in a semester shall be conducted in a session of one hour. The number of questions in Arts stream will be 50 and that of Science and Mathematics stream will be 40.Questions should be equally distributed among the courses in a semester. There will be four choices for each question. Each question carries 4 marks for correct answer zero marks for no answer and -1 marks for wrong answer.

### **6.2 EVALUATION OF PRACTICAL COURSES**

Practical examination will be conducted at the end of each semester/ end of an academic year. The time of conduct of the practical examination will be decided by the respective BOS.

### A. IN-SEMESTER ASSESSMENT

| <b>Evaluation Component</b> | Mark |
|-----------------------------|------|
| Attendance                  | 6    |
| Lab Involvement             | 8    |
| Test                        | 12   |
| Record                      | 8    |
| Viva                        | 6    |

Maximum Marks = 40

The components and the marks can be modified by the concerned BOS/Expert committee within the limit of maximum marks.

#### B. END- SEMESTER ASSESSMENT

| Evaluation Component | Mark |
|----------------------|------|
| Attendance           | 18   |
| Lab Involvement      | 24   |
| Test                 | 36   |
| Record               | 24   |
| Viva                 | 18   |

Maximum Marks = 120

The components and the marks can be modified by the concerned BOS/Expert committee within the limit of maximum marks.

### **6.3 EVALUATION OF PROJECT**

An academic project work shall be done and a dissertation shall be submitted in the final semester of the programme. There will be both In semester and End semester assessment for the project work.

### A. IN- SEMESTER ASSESSMENT

| Evaluation Component  | Mark |
|---|------|
| Relevance of the topic  | 5    |
| Project content and report  | 15   |
| Presentation  | 15   |
| Project viva  | 10   |
| Paper presentation* in Seminar/Conference or<br>publications with ISBN/ISSN (*valid certificate<br>to be submitted) | 5    |

Maximum marks = 50

The components and the marks can be modified by the concerned BOS/Expert committee within the limit of maximum marks.

### B. END -SEMESTER ASSESSMENT

The dissertation at the end of final Semester will be evaluated by a panel of one internal evaluator assigned by HOD and one external evaluator / a panel of two external evaluators as may be decided by the respective BOS.

| Evaluation Component  | Mark |
|---|------|
| Relevance of the topic  | 15   |
| Project content and report  | 45   |
| Presentation  | 45   |
| Project viva  | 30   |
| Paper presentation* in Seminar/Conference or<br>publications with ISBN/ISSN (*valid certificate<br>to be submitted) | 15   |

Maximum marks = 150

The components and the marks can be modified by the concerned BOS/Expert committee within the limit of maximum marks.

### 6.4 EVALUATION OF COMPREHENSIVE VIVA VOCE

A comprehensive viva voce shall be done at the end of the final semester. There will be both In-semester and End-semester assessment for the viva voce examination.

### A. IN - SEMESTER ASSESSMENT

| Evaluation Component                | Mark |
|-------------------------------------|------|
| +2/ UG level questions              | 4    |
| PG syllabus level questions         | 10   |
| Subject of interest based questions | 8    |
| Advanced level questions            | 3    |

Maximum marks = 25

The components and the marks can be modified by the concerned BOS/Expert committee within the limit of maximum marks.

### **B. END- SEMESTER ASSESSMENT**

The comprehensive Viva Voce Examination at the end of final Semester will be evaluated by a panel of one internal evaluator assigned by HOD and one external evaluator / a panel of two external evaluators as may be decided by the respective BOS.

| Evaluation Component                | Mark |
|-------------------------------------|------|
| +2/ UG level questions              | 12   |
| PG syllabus level questions         | 30   |
| Subject of interest based questions | 24   |
| Advanced level questions            | 9    |
|                                     |      |

Maximum marks = 75

The components and the marks can be modified by the concerned BOS/Expert committee within the limit of maximum marks.

### 7. Grievance Redressal Mechanism

In order to address the grievance of students regarding In-Semester assessment a twolevel Grievance Redressal mechanism is established.

Level 1: Department Level: The Department cell is chaired by the HOD
Department Coordinator as member secretary and Course teacher in-charge as member. If the grievance is not redressed at the Department level the student shall report the grievance to the College Level Grievance Redressal Cell.
Level 2: College level: College Level Grievance Redressal Cell has the Vice-Principal as the Chairman Dean of Student Affairs as the Member Secretary and HOD of concerned Department as member.

### 8. Eligibility for End Semester Examination

A minimum of 75% average attendance for all the courses is mandatory to register for the examination. Condonation of shortage of attendance to a maximum of 10 days in a semester subject to a maximum of 2 times during the whole period of the programme may be granted by the College on valid grounds. Attendance may be granted to students attending University/College union/Co-curricular activities for the days of absence on production of participation/attendance certificates within one week from the teacher in charge of the activity and endorsed by the Dean of Student Affairs. This is limited to a maximum of 10 days per semester. Monthly Attendance report will be published in the college website on or before the 10<sup>th</sup> of every month. Those students who are not eligible even with condonation of shortage of attendance shall repeat the semester along with the next batch after obtaining readmission.

#### 9. Promotion to the next Semester

Those students who possess the required minimum attendance and have registered for the End Semester Examination during an academic semester are promoted to the next semester.

Those students who possess the required minimum attendance and progress during an academic semester and could not register for the semester examination are permitted to apply for Notional Registration to the examinations concerned enabling them to get promoted to the next semester.

#### **10. Eligibility for Readmissions**

An additional chance of readmission will be given to those students who could not register for the examination due to shortage of attendance. Readmitted students shall continue their studies with the subsequent batch of students. If an applicant for readmission is found to have indulged in ragging or any other misconduct in the past readmissions shall be denied.

### 11. MARK CUM GRADE CARD

The College under its seal shall issue to the student a MARK CUM GRADE CARD on completion of each semester/programme which shall contain the following information:

- (a) Name of the College
- (b) Title of the Postgraduate Programme
- (c) Name of the Semester
- (d) Name and Register Number of the student
- (e) Date of publication of result
- (f) Code Title Credits and Maximum Marks (ISA ESA & Total) of each course opted in the semester.
- (g) ISA ESA and Total Marks awarded Grade Grade point and Credit point in each course opted in the semester
- (h) College average (CA) of the marks of all courses
- (i) The total credits total marks (Maximum & Awarded) and total credit points in the semester
- (j) Semester Grade Point Average (SGPA) and corresponding Grade.
- (k) Cumulative Grade Point Average (CGPA) and corresponding Grade.

The final Mark cum Grade Card issued at the end of the final semester shall contain the details of all courses taken during the study programme and the overall mark/grade for the total programme.

There shall be a College Level Monitoring Committee comprising Principal Vice Principal as member-secretary Dean of Academic Affairs Controller of Examinations IQAC Director and Administrative Assistant as members for the successful conduct of the scheme.

### 12. CREDIT POINT AND CREDIT POINT AVERAGE

**Credit Point (CP)** of a course is calculated using the formula:- $CP = C \times GP$  where C is the Credit and GP is the Grade point

**Semester Grade Point Average (SGPA)** of a Semester is calculated using the formula:-

SGPA = TCP/TC where TCP is the Total Credit Point of that semester ie  $\sum_{1}^{n} CPi$ ; TC is the Total Credit of that semesterie  $\sum_{1}^{n} Ci$  where n is the number of courses in that semester

### Cumulative Grade Point Average (CGPA) is calculated using the formula:-

CGPA = TCP/TC where TCP is the Total Credit Point of that programme  $\sum_{1}^{n} CPi$ ; TC is the Total Credit of that programme ie  $\sum_{1}^{n} Ci$  where n is the number of courses in that programme

Grades for the different courses semesters and overall programme are given based on the corresponding CPA as shown below:

| СРА         | Grade with Indicator |
|-------------|----------------------|
| 4.5 to 5.0  | A+ Outstanding       |
| 4.0 to 4.49 | A Excellent          |
| 3.5 to 3.99 | B+ Very Good         |
| 3.0 to 3.49 | B Good (Average)     |
| 2.5 to 2.99 | C+ Fair              |
| 2.0 to 2.49 | C Marginal           |
| Up to 1.99  | D Deficient (Fail)   |

### **13. TRANSITORY PROVISION**

Notwithstanding anything contained in these regulations the Principal shall for a period of six months from the date of coming into force of these regulations have the power to provide by order that these regulations shall be applied to any programme with such modifications as may be necessary.

The Principal is also authorized to issue orders for the perfect realization of the regulations.

### **Controller of Examinations**

#### Annexure III CCMS COLLECE KOTTATAM AUTOROMOUS

(Reverse side of the Mark cum Grade Card (COMMON TO ALL SEMESTERS))

### **Description of the Evaluation Process**

% Marks

### Grade and Grade Point

The Evaluation of each Course comprises of Internal and External Components in the ratio 1:3 for all Courses.

Grades and Grade Points are given based on the percentage of Total Marks (Internal + External) as given in Table 1

(Decimals are to be rounded mathematically to the nearest whole number)

### Credit point and Credit point average

Grades for the different Semesters and overall Programme are given on a 7-point Scale based on the corresponding CPA as shown in Table 2.

| Equal to 88 and above | A+ Outstanding  | <sup>g</sup> 5 |
|-----------------------|-----------------|----------------|
| Equal to 76           | A Excellent     | 4              |
| and < 88              |                 |                |
| Equal to64            | B+ Very Good    | 3              |
| and < 76              |                 | 5              |
| Equal to 52           | B Good(Average) | 2              |
| and $< 64$            |                 | 2              |
| Equal to 40           | C Marginal      | 1              |
| and below 52          |                 | 1              |
| Below 40              | D Deficient     | 0              |
|                       | (Fail)          | 0              |
|                       | Ab Absent       |                |

### Table 2

| Credit point (CP) of a paper is calculated      |
|---|
| using the formula $CP = C \times GP$ where C is |
| the Credit; GP is the Grade Point               |
| Semester or Programme (cumulative) Grade        |
| Point Average of a Course/Programme is          |
| calculated using the formula                    |
| SGPA/CGPA = $\frac{TCP}{TC}$ where TCP is the   |
| Total Credit Point; TC is the Total Credit      |

| CPA         | Grade with Indicator |                  |  |  |  |  |
|-------------|----------------------|------------------|--|--|--|--|
| 4.5 to 5.0  | A+                   | Outstanding      |  |  |  |  |
| 4.0 to 4.49 | А                    | Excellent        |  |  |  |  |
| 3.5 to 3.99 | B+                   | Very Good        |  |  |  |  |
| 3.0 to 3.49 | В                    | Good (Average)   |  |  |  |  |
| 2.5 to 2.99 | C+                   | Fair             |  |  |  |  |
| 2.0 to 2.49 | С                    | Marginal         |  |  |  |  |
| Up to 1.99  | D                    | Deficient (Fail) |  |  |  |  |

### NOTE

A separate minimum of 40% marks each for internal and external (for both theory and practical) are required for a pass for a course. For a pass in a programme a separate minimum of **Grade C** is required for all the individual courses. If a candidate secures **D Grade** for any one of the course offered in a Semester/Programme only D grade will be awarded for that Semester/Programme until he/she improves this to **C GRADE** or above within the permitted period.

### **CURRICULUM**

# GRADUATE PROGRAMME OUTCOMES (GPO) – POST GRADUATE PROGRAMMES

At the completion of the Post Graduate Programme the student will be able to accomplish the following programme outcomes.

| GPO   | Graduate Programme Outcomes  |                |
|-------|--|----------------|
| No.   |  |                |
| GPO.1 | Critical Thinking: Ability to engage in independent and            | PSO            |
|       | reflective thinking in order to understand logic connections       | 12356          |
| GDO A | between ideas.   | DCO            |
| GPO.2 | Effective Communication: Development of communication              | <b>PSO</b>     |
|       | skills for effectively transmitting and receiving information that | 12345          |
|       | focuses on acquiring knowledge problem solving improving on        |                |
|       | arguments and theories thereby paving the way for better           |                |
|       | employability and entrepreneurship.                                |                |
| GPO.3 | Social Consciousness: Acquire awareness towards gender             | PSO 137        |
|       | environment sustainability human values and professional           |                |
|       | ethics and understand the difference between acting responding     |                |
|       | and reacting to various social issues.                             |                |
| GPO.4 | Multidisciplinary Approach: Combining various academic             | PSO            |
|       | disciplines and professional specializations to cross borders and  | 12345          |
|       | redefine problems in order to explore solutions based on the       |                |
|       | new understanding of complex situations.                           |                |
| GPO.5 | Subject Knowledge: Acquiring knowledge at a higher level           | PSO 1-7        |
|       | that would help develop the necessary skills fuel the desire to    |                |
|       | learn and contribute to the field of expertise thereby providing   |                |
|       | valuable insights into learning and professional networking        |                |
|       | with the aim of catering to the local national and global          |                |
|       | developmental needs.   |                |
| GPO.6 | Lifelong Learning: Understanding the necessity of being a          | <b>PSO 1-7</b> |
|       | lifelong learner for personal enrichment professional              |                |
|       | advancement and effective participation in social and political    |                |
|       | life in a rapidly changing world.                                  |                |

### **PROGRAMME SPECIFIC OUTCOMES**

### **PROGRAMME DESIGN**

The post graduate programme in Commerce is a two year programme of four semesters. There are three components for the programme namely the core course elective course and the project spread over four semesters. There are five courses in each semester one dissertation towards the end of the course and a comprehensive viva at the end of the fourth semester. There are 16 core courses and the four elective courses are spread over the third and fourth semesters. The total credits for completing a PG programme is 80.

| Sl No | COURSE TYPE      | No of<br>courses | Total credits |
|-------|------------------|------------------|---------------|
| 1     | Core courses     | 16               | 61            |
| 2     | Elective courses | 4                | 14            |
| 3     | Viva voce        | 1                | 2             |
| 4     | Dissertation     | 1                | 3             |
|       | TOTAL            | 22               | 80            |

The Course Design is given below:

### **PROGRAMME STRUCTURE**

| Code      | Semester 1                         | Credit | Hours/w        | Theory:  | Total   |
