Dr. Wilscy M, Chairperson of the Board of Studies welcomed the members. She appreciated the members for their active participation in the curriculum revision process. The following resolutions were taken after the discussions.

Curriculum of Bachelor of Computer Application Programme (BCA)

The syllabus of BCA 2017 of the Mahatma Gandhi University forms the basis of the present syllabus recommended for the Department Computer Science, CMS College, Kottayam for the academic year 2018 – 19. Eighteen Core Courses (Theory), 6 Core Practical Courses, one Open Course, one Elective Course, 2 Project work Courses and a Viva for the UG programme were reviewed.

The core course content of the BCA programme of the Mahatma Gandhi University is well conceived with the aim of preparing students for meeting the contemporary needs of Software Industry and pursuing higher studies. Therefore, the syllabus of the M.G. University is adopted without changes. However the syllabus is reviewed with a Programme – Course Outcome perspective. Rearrangements in the syllabus are made in order to map the modules and sub-modules with the outcomes.

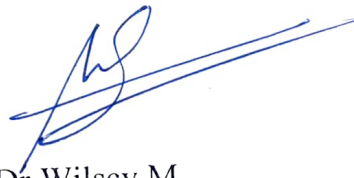

Add On Courses

Following three **Add On Courses** each with 2 credits and 36 teaching hours were added to the syllabus.

1. Cyber Security
2. Programming with Python
3. Dot-Net Applications
