Minutes of the (BOS 03-04-2018) meeting of the Board of Studies of Chemistry, C M S College, Kottayam (Autonomous) held on 03-04-2018 at 11 am

Board of studies of the Department of Chemistry was conducted on 03-04-2018 at 11 am at the Department of Chemistry. After a long and creative discussion the following decisions were taken regarding UG curriculum and syllabi

Core Courses

CH1CRT01 – GENERAL AND ANALYTICAL CHEMISTRY

The syllabus gives a basis to enter into the major chemistry programme and no changes are made in the course.

CH2CRT02 – THEORETICAL AND INORGANIC CHEMISTRY

The syllabus is in par with the national standards and no changes are incorporated.

CH2CRP01 - VOLUMETRIC ANALYSIS

The practical course is up to the mark and the possibility of including gravimetric analysis with this course has been discussed but the syllabus revision committee disagreed with the change in syllabus.

CH3CRT03 - ORGANIC CHEMISTRY – I

The course meets the international standards and no changes are made in the syllabus.

CH4CRT04 - ORGANIC CHEMISTRY –II

The course meets the international standards and no changes are made in the syllabus. The course can be renamed as Chemistry of Functional Groups.

CH4CRP02 - QUALITATIVE ORGANIC ANALYSIS

The practical is in line with the theory course and no changes are included.

CH5CRT05 - ENVIRONMENTAL CHEMISTRY AND HUMAN RIGHTS

The BOS did not end up with a unanimous decision on the syllabus of this paper. However since this is included as per UGC norms no alteration has been made. The course name has been modified as Environmental Chemistry and Human Rights.

CH5CRT06 - ORGANIC CHEMISTRY - III

The course meets the international standards and no changes are made in the syllabus. The course can be renamed as Advanced Organic Chemistry I.

CH5CRT07 – PHYSICAL CHEMISTRY - I

The course meets the international standards and no changes are made in the syllabus.
