The Chairman Dr Ambily P Mathew welcomed the members to the meeting. In her introductory remarks she spoke about the smooth run of online classes and presented the agenda. She mentioned the needs and steps to be taken for the effective run of online classes and also recommended few indicators to encourage the attendance of students in online classes. The chairman thanked all the members of BOS and the members of the department of mathematics for their contributions.

Agenda 1:

The chairman raised the concerns to conduct the In semester examinations in online mode due to the present conditions of covid 19. Various examination tools like viva, open text book evaluation, quizzes etc were proposed and the BOS decided to put these suggestions to the academic council.

Agenda 2:

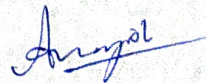

The chairman shared the joy that CMS College Kottayam has been selected as the venue for the conduct of the 13th Webinar on Retrieval Queues and Related Topics. Prof Rein D. Nobel will be the chairman of the Steering Committee. Prof (Dr.) A Krishnamoorthy and Dr. Varghese C. Joshua will be the chairpersons of the organizing committee.
