11. Mr. Siby Chandi

The meeting was conducted in hybrid mode where the faculties of the department attended the meeting in offline mode and the External experts attended the meeting through online via Google meet link: <https://meet.google.com/nqc-ovfe-dsm>

The chairman Dr. Varghese C. Joshua welcomed all members to the meeting. In his introductory remarks, the chairman described the agenda. Brought forth the importance of introduction of Add on Courses. He thanked all experts, members of the BOS and members of the Department for their contributions.

Agenda 1:

The syllabus for two Add on Courses – Computational Science and Functional Mathematics were presented. After discussions it was resolved to approve the draft and the BOS decided to forward it to the Academic Council for further steps. Dr T. M Jacob from Nirmala College Muvattupuzha and Dr. Nidhi P Ramesh from M A college Kothamangalam were chosen as the resource persons for the course on Computational Science. Ms. Ambily P. Mathew was entrusted to nominate resource persons for the functional Mathematics course.

Agenda 2:

It is recommended to include the four new courses, viz, Commutative Algebra, Coding Theory, Mathematical Economics and Fuzzy Mathematics to the syllabus of MSc Mathematics as elective papers in 4th Semester. The BOS decided to forward it to the Academic Council for further steps.

Agenda 3:

The Chairman Presented the list of Question paper setters and Evaluators and Recommended the need for Internal Evaluation for project /Viva Voice.

Agenda 4:

The Research Wing of the Department of Mathematics was happy to welcome an International Student Khamis Abdullah Khamis Al Maqbali to CMS College who will be guided by Dr. Varghese C. Joshua. BOS wishes him the very best for his Research ahead.

Agenda 5:

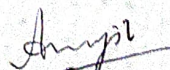

The Members of BOS and Members of Mathematics Department Congratulated Dr Varghese C Joshua for taking charge as the principal of CMS College Kottayam.

The chairman reported that the KIM Endowment Intercollegiate Mathematics Paper Presentation Competition and Prof. Santhakumari Endowment Intercollegiate Mathematics Quiz competition were held successfully during 6-7, December, 2019. An International Workshop on Computational techniques in Stochastic Modeling was conducted during 24-26th February 2020. Dr. Alexander Rumyantsev, Senior Researcher, Institute of Applied Mathematical Research, Karelian Research Centre of Russian Academy of Sciences will be the key resource person.
