Chairperson Dr. Reenu Jacob welcomed all the members and in her introductory remarks, she detailed about the difficulty in conducting the offline exams due to the rapid spread of Covid-19.

The following points were discussed:

Agenda 1: Conduction of in-semester examinations in online mode for B. Sc. Physics

BOS discussed and suggested the conduction of the in-semester examination for B. Sc Physics programmes in the online mode using Quizzes, Khahoot, multi-choice question pattern or using the open book examination system as different evaluation techniques.

Agenda 2: Conduction of in-semester examination in online mode for M. Sc Physics

BOS discussed and suggested the conduction of the in-semester examination for M. Sc Physics programmes in the online mode using Quizzes, Khahoot etc, multi-choice question patterns or using the open book examination system as different evaluation techniques.

Agenda 3: Conduction of in-semester exam in online mode for M. Sc Applied Physics

BOS discussed and suggested the conduction of the in-semester examination for M. Sc Applied Physics programmes in the online mode using Quizzes, Khahoot, multi-choice question pattern or using the open book examination system as different evaluation techniques.

The BOS approved the suggestions for the conduction of online modes for in semester examinations for the UG and PG programme and also suggested that this pattern of the question paper shall be applicable only for the pandemic-ridden period.

The meeting came to an end by 12 pm.
