Apology of Absence- Dr. K.S. Sreelatha, Mr. Preman D. Ninan.

In his opening remarks, Chairman Sam Rajan outlined the agenda for the BOS meeting, which includes the preliminary discussion on syllabus modification, the evaluation criteria for value-added courses in accordance with UGC regulations, and the planning of academic activities for the academic year 2023.

The following points discussed, were

Agenda 1: Evaluation of value added programme based on UGC norms.

Dr. Indulekha proposed incorporating the newest technologies into the ongoing value-added courses. She also advised including an energy assessment of a large solar facility in the value-added course- Fundamentals of solar photovoltaics.

Dr. K.C. James underlined the need of equipping teachers/resource persons taking value-added courses.

Agenda 2: Preliminary discussion and suggestions for syllabus revision

BOS reviewed NEP 2020 and the required measures to be taken while designing the curriculum for integrated PG and 4-year UG programmes.

Agenda 3: Other academic plans for the academic year 2023-24

To honour the life and work of E.C.G. Sudarshan, members of the BOS unanimously supported holding a bridge course and lectures. The committee also planned the following events for the upcoming academic year: the GMT memorial lecture, the Prof. Mohan Kurien Memorial Quiz competition, the PPT competition, webinars, and seminars, among others.

The meeting came to an end by 12.30pm.

Read & confirmed.

Mr. Sam Rajan
(chairperson)

Dr. Seema R
(Member Secretary)
