- Dr. Antony Palackal , (External Expert) Professor, Department of Sociology, university of Kerala (Present in online)

AGENDA

- Preliminary discussion and suggestion for syllabus revision
- Other academic plans for department during the academic year 2023-2024

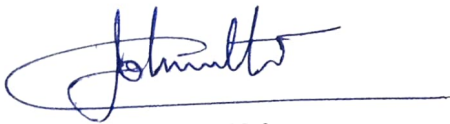

Matters Discussed and Finalized:

- Discussed about the new additions and deletions of courses in the existing syllabus based on course outcome
- Also discussed to add new courses in connection with areas of contemporary importance in sociology
- Also suggested that the teachers in charge of the courses may prepare a primary draft of the revised syllabus and submit it to BOS for expert opinion and conduct a syllabus revision workshop based on the preliminary ideas recommended.
- Also discussed to seek the possibility of instituting internship in the syllabus with few credits (if possible it should include as a course completing criteria)
- Also suggested that the restructuring of syllabus should cater the employability, skill development and critical thinking and discussed to consider the global, national and local importance in syllabus revision
- Also discussed the academic plans for the year 2023-24

Dr. Lekshmi S Kaimal
(Member Secretary, BOS- Sociology)
