STUDENT INDUCTION PROGRAMME 2020

Report

The IQAC organised an online student induction programme for both UG and PG students separately. Through this programme, the college officially welcomes and give orientation to the newly joined students. The induction programme was conducted on 12 to 28 October 2020 for UG students and 3rd and 4th December 2020 for PG Students. Chief resource person of the UG Student Induction Programme was Dr. Sabu Thomas, Honourable Vice Chancellor, M G University, Kottayam. Chief resource person of the PG Student Induction Programme was Dr. Kuruvilla Joseph, Outstanding Professor & Dean, Indian Institute of Space Science and Technology, Trivandrum. On the first day, general orientation was given. On the following days departmental orientation was given like familiarization to Department and Departmental Level Functions, introduce the syllabus & teachers and Mentoring and connecting with faculty members, general aspects like quality initiatives, curriculum, student affairs and examinations etc.

*STUDENT
INDUCTION
PROGRAMME
2020*

12 - 21 October 2020

Inauguration by

Dr. Sabu Thomas

Hon'ble Vice Chancellor, M.G University, Kottayam

**Organized by
Internal Quality Assurance Cell (IQAC)
CMS College Kottayam(Autonomous)**

Dear Students,

Transition from school to university/college life is one of the most challenging events in a students' life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. They come into a new unfamiliar environment, and many of them have little knowledge of a university/college. An important task, therefore, is to welcome new students to Higher Education and prepare them for their new role especially in the current pandemic situation. Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self exploration. Through this Student Induction Programme CMS College Kottayam (Autonomous) assures that every moment of the student life in the campus designs to their holistic and integrated learning and well-being.

Calculation of SCPA and CCPA

- Mark scored in a course is converted to **Grade Point (GP)**
- $GP \times \text{credit of the course} = \text{Credit Point (CP)}$
- In a semester
Add CP of all courses and divide by total credits of the semester, to obtain **Semester Credit Point Average (SCPA)**
- In a Programme
Add CP of all courses of the programme and divide by total credits of the programme to obtain **Cumulative Credit Point Average (CCPA)**

DECEMBER
2020**

Inauguration by
Dr. Kuruvilla Joseph
Outstanding Professor & Dean,
Indian Institute of Space Science and Technology, Trivandrum

Organized by
Internal Quality Assurance Cell (IQAC)
CMS College Kottayam (Autonomous)

Dear Students,

The programme provides you with an introduction to the CMS College Kottayam (Autonomous). You will learn more about your programme, the help and support available and the general facilities on offer at the College. An important task, therefore, is to welcome new students to Higher Education and prepare them for their new role especially in the current pandemic situation. Purpose of Student Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to a sense of larger purpose and self exploration. Through this Student Induction Programme CMS College Kottayam (Autonomous) assures that every moment of the student life in the campus designs to their holistic and integrated learning and well-being. All new postgraduate students are expected to attend induction.

Dr .Kuruvilla Joseph is the Outstanding Professor & Dean, Indian Institute of Space Science and Technology. He has been the head of Dept of Chemistry, IIST and has been conferred with fellow of Royal Society of Chemistry, London. He has done post-doctoral, at the Federal University of Paraiba, Brazil and Swedish Institute of Composites (SICOMP), Sweden. He did Ph.D from the NIIST CSIR (formerly RRL TVM), Thiruvananthapuram, in collaboration with School of Chemical Sciences, Mahatma Gandhi University, Kottayam.
