1. INTRODUCTION

- OVERVIEW OF THE INSTITUTION

1.1 About the College

‘The College Cotym’ which later came to be known as CMS College Kottayam, was established in the year 1817 by the Church Missionary Society, England. CMS College Kottayam is now one of the largest colleges in Kerala with 23 departments, offering 17 Undergraduate and 16 Postgraduate programmes for 2618 students. The 32 programmes and 812 courses that encompass the curriculum are fulfilled by 153 teaching faculty members and 40 administrative staff. Deeply rooted in Kottayam and dedicated to its mission, the CMS College is one of the top colleges in Kerala. With its 23 departments the CMS College offers programs in almost all academic fields in arts and sciences. Whether you have a passion for basic science, applied science, literature, history, politics, commerce or economics, you will find a department that best suits your needs. At the time of its inception, there were no colleges to follow or adapt. In hindsight, CMS has set a legacy for other modern higher education institutions in the country to follow. In 1817, the curriculum included the study of Latin, Greek, Hebrew, Euclid, History and Geography, along with English, Malayalam, Sanskrit and Syriac. Rev. Benjamin Bailey was the first Principal of the College, who nurtured the College and set it on the road to becoming an institution of liberal education. Later in 1838, the college was shifted to its present campus at Annankunnu, offering an exuberant academic and non-academic arena to explore. When CMS was under the affiliation of Madras University, the college was recognized as the best college in the Madras Presidency at the time the university system was introduced in India. With its initiation of admitting women students in 1913, the college heralds its 100 years of education of women. During this period, CMS became a first grade college with eight undergraduate and six postgraduate degree courses and the affiliation was shifted to Mahatma Gandhi University as a part of modernising education.

The transformation from complete emphasis on teaching and learning to equal emphasis on teaching, learning and research has been very swift and practical. The combined

research output in terms of degrees awarded, papers published, and projects undertaken by the departments has been a progressive enterprise. Another revolutionary accomplishment was the institution's switch to cyber mode. In 1985, when no other college in Kerala even thought of computers, CMS College established a fully-fledged computer training centre on its campus. CMS College was one of the rare educational institutions with internet facilities in the mid-1990s.

The institution was an affiliated college from 1817 all the way up until 2015. It was during this time that the government suggested extending academic autonomy to the state's most prestigious institutions, and the College was very sure that we deserved the same treatment as they were offering. In the year 2016, the college became autonomous. The honourable President of India, Shri. Pranab Mukherjee inaugurated the bicentenary celebrations of the college on February 26, 2016 and the pursuit of celebrations marked its end with the valedictory function that had the honour of welcoming the archbishop of Canterbury to CMS. To date, the college has proudly owned its ethos and rationale for offering new and unprecedented avenues of academic excellence. With immense commitment and determined goals, CMS College continues to be an unabating presence of coherent and systematic educational principles of futuristic intent.

1.2 History of CMS College

Now thanks be unto God, which always causeth us to triumph in Christ, and maketh manifest the fragrance of his knowledge by us in every place. For we are unto God a sweet aroma of Christ. 2 Corinthians, 2: 14-15.

Two hundred years is but a tiny drop in the unceasing flow of cosmic time. On the human scale, however, it amounts to a life span of about ten generations. That is if the first-ever graduates of the college sent their children to CMS College Kottayam, and each succeeding generation did the same, they would have their 10th generation progeny studying here at present. This is only one indication of the antiquity of CMS College Kottayam in the history of higher education not just in Kerala, but in India as a whole. Yes, CMS College, Kottayam – The College Cotym in its original orthographic avatar – was born 200 years ago, in 1817.

The pre-natal history of the College, however, goes further back to the time when Colonel John Munroe assumed charge as the Dewan of Travancore. He was not just an

administrator, but a visionary and social reformer. His zeal for social change is borne out by the pivotal role he played in the abolition of slavery in Travancore in 1813. The same zeal prompted Colonel Munroe to appoint a commission to inquire into the socio-economic conditions of Syrian Christians in the province. Soon after, he appealed to the British provincial capital in Madras to initiate the process for starting a college in Kottayam. He also wrote to the Church Missionary Society, which had been established in 1799 with the avowed purpose of carrying out missionary and educational activities around the globe, requesting the society to depute highly qualified missionaries who would work as teachers in the college proposed to be set up in Kottayam. In the meantime, the British Parliament ratified a charter empowering East India Company to foray into missionary and educational work.

In the same year, i.e., in 1813, Maharani Gouri Lakshmi Bayi (1791–1815) of the Travancore Royal family granted 16 acres of land, 500 rupees in cash, and timber from public forests for the construction of college buildings on the banks of the Meenachil River. The construction was also supported financially by the proceeds from a deposit made by Col. Colin Macaulay, the first Resident of Travancore, for the benefit of Syrian Christians in Travancore.

In 1817, CMS Missionary, Rev. Benjamin Bailey took charge as the first Principal of The College. He laid the foundations of a modern secular education by implementing a curriculum with a strong concentration of subjects such as Syriac, Sanskrit, Latin, English,

Greek, History, Mathematics, and Geography. Col. Munroe and Rev. Bailey were insistent that the academic programme at The College be no less rigorous than that at the University of Cambridge, even as the students used local materials like dried palm leaves and iron stencils instead of Western writing implements such as paper, pens, and quills. Selectee profanis, Virgil's Aeneid, Cicero's Orations, Horace's Epistles, Demosthenes, the first six books of Euclid and plane and spherical trigonometry were part of the syllabus. The college continued to get generous funding from Maharani Gouri Parvathi Bayi (1802-53), and the East India Company.

The British administrators, The Travancore Royal Family, and The CMS missionaries were all convinced that education alone could lift the people of the province from injustice, ignorance, illness, and poverty that had been plaguing them for centuries. The College was their first step in this direction. And, The College rose magnificently to the challenge and became the nucleus of a revolution in the feudal, caste-ridden society of Kerala in early 19th Century.

Realizing that the students being prepared for university examinations lagged behind in English, Mathematics, and Physics, Rev. Joseph Fenn, who succeeded Rev. Bailey as Principal in 1818, initiated a feeder programme in the form of a Grammar School. Those who graduated out of Grammar School were able to meet the challenges of The College and the University. This Grammar School later evolved into a separate entity called CMS High

School. The umbilical link between The College and the High School should not be lost sight of, nor should their histories be confused in chronological terms.

Though no longer the Principal, Rev. Bailey continued his association with The College in creative ways and set up Kerala's first printing press at The College in 1820. He designed the modern Malayalam script and adapted it for printing in his own printing machine. Later, during his visit to The College, His Royal Highness Swathi Thirunal of Travancore was so impressed by Rev. Bailey's invention that he invited Rev. Bailey to Thiruvananthapuram and entrusted him with the task of setting up a printing press in his capital city.

The contribution of the missionary teachers of The College to the development of Malayalam went beyond the application of printing technology to the language. Rev. Richard Collins, principal of the college from 1855 to 1866, established the Department of Malayalam with a view to streamlining the teaching and learning of the native language of the students of The College. Exploiting the printing facility already available, the department published the first-ever College Magazine in South India, titled, 'Vidya Samgraham', meaning Anthology of Knowledge/Education in 1864. This magazine continues to be published today under the same name. In line with the best traditions of an institution of higher learning, The College inaugurated the era of scholarly publishing in Kerala. It is no surprise, therefore, that Kerala in general, and Kottayam in particular, can boast of a very high concentration of newspaper and magazine publishers, and publishers and sellers of academic books and journals.

The College has always enjoyed patronage from people belonging to different geographical areas. There are cases of students who travelled by bullock carts from distant places accompanied by their elder relatives and with provisions to cook food during the journey that sometimes took a few days. Kottayam, which was a small village with a population of only about 320, ensconced in pristine green surroundings, became a magnet that attracted knowledge seekers from far-off places. CMS College created the conditions for the transformation of this rural area into Kerala's 'aksharanagari' or city of letters, and eventually the first district in India to achieve 100% literacy towards the end of 20th Century.

The College welcomed students from different religious and ethnic affiliations. The College campus thus became a crucible of community life that transcended the traditional boundaries. Another important point not to be missed is that The College, despite offering

English education, and despite being administered by English missionaries, did not produce conformists to the colonial rule. Inspired by the liberal ideas imbibed through their familiarity with western philosophers, the students of The College began questioning the continued presence of the British in India, and slogans demanding independence were raised resoundingly on The College campus.

The College, though situated geographically far from major centres of political and economic power, has always been in tune with the major social and educational trends of the times. The College is at present aided by the Government of Kerala and the U.G.C, and managed by the Church of South India. The College has full-fledge computational facilities, and the campus has been Wi-Fi-enabled for several years now. The College has been able to attract distinguished faculty members with unswerving commitment to their profession. Our students have distinguished themselves in various fields. Our present students continue the tradition of their predecessors and achieve distinction in cultural and sports activities as well as in academics. The College considers itself fortunate to have been blessed with a multitude of highly talented students both in the past and the present.

The College and the land of Kerala can legitimately claim to have arrived at a symbiotic relationship at its best. The College has been the primal fount from which flowed the strong currents of knowledge and critical intelligence that changed the scholastic and socio-cultural landscape of Kerala and propelled the State to the forefront of social development. The Kerala society and the Kerala and Central Governments have openly asserted their pride in the achievements of The College and affirmed their commitment to support and strengthen The College in its pursuit of excellence.

Today The College is at a historical juncture. As we look back at the two centuries we have traversed, we see many things we can justifiably be proud of. Yet, as leaders of an institution engaged in the creation and propagation of knowledge with its ever-receding frontiers, we are filled as much with trepidation as with satisfaction as we look towards the future. We simply cannot rest on our laurels.

For, what remains to be achieved is much more than what we have achieved. It is not easy to make the college courses, curriculum, and infrastructure cope with the changing demands of contemporary education and the job market. It is easy for an institution to slide into irrelevance and obsolescence unless great care is taken to stay in step with current trends.

Our record till now, of course, fills us with confidence. But we are comforted more by the Word of God, which assures us that “He who began a good work in us will bring it to completion.” We know this by faith: He who called the founding fathers of The College Cotym in 1817 and has guided the college through two hundred golden years, will enable future generations of managers, teachers, and students to fulfil the mission that He, in His infinite wisdom and foresight, has mandated for CMS College, Kottayam.

1.3 Special Heritage Status

The college proudly holds and reflects its ceremonious special heritage status in its absolute sense. The embrace of the heritage, in its various forms, dates back to the time of our first principal, Rev. Benjamin Bailey. He paved the way for the progressive development of a quality education system with a diligent curriculum that had no match at that time in India. The college social and cultural heritage was so instilled with a revolutionary spirit that it became a huge influence in redeeming the feudal, cast-ridden society of 19th century Kerala. Students of different religious and ethnic origins were welcomed without discrimination. Women were given the opportunity to learn and flourish at a time when no women were entertained in the academic scene. The college had its own ways of breaking the stereotypes, taboos and social stigmas that prevailed in society. The architectural heritage of the college is another sight of wonderment. History rests in every building on the campus where the chapel and classrooms tell tales of great legacy as they stand monumental to the gothic tradition of architecture. The institution tries to accommodate and design the traditional architecture in a way to suit the climactic conditions and landscape of Kerala and the legacy of the institution.

1.4 Vision and Mission

The CMS College endeavours to live up to its motto, "Thy Word is Truth" which inspired the founding fathers of the college to enlighten the populace of the region two centuries ago. The emblem of the college is a pictorial manifestation of the motto, upon which the vision, mission, and objectives are also established accordingly.

Vision: The CMS College shall be a centre of excellence for imparting value-based liberal education aimed at promoting inclusive and holistic growth of the learner with thrust on real-time needs.

Mission: The College strives to:

- Achieve excellence by imparting quality education through teaching, learning, research, and extension activities.
- Inculcate values of integrity, justice, and compassion in the young minds to keep alive the missionary zeal of the founders.
- Execute academic and administrative policies in a flexible environment.
- Ensure optimum utilization of resources for the benefit of society.
- Create awareness on human rights, cultural and spiritual heritage, scientific temper, and ecology.
- Empower students as the agents of transformation and equip them to face local and global challenges.

1.5 Governance, Leadership and Management

The governance, leadership and management of CMS College is reflective of an effective headship that is in line with the vision and mission of the institution which aims to evolve the college into a centre of academic excellence and enlightened debate. It seeks to achieve a wholesome synergy between academic practices, co-curricular responsibilities social cultural proclivities and empathy, thereby ensuring the benefit of all stakeholders particularly the student community that could develop to its fullest potential. While retaining its regional roots, CMS College is able to encompass and articulate global concerns and the wider social imperatives. The mission of the institution deliberates up on a holistic and enabling environment for students hailing from diverse demographics. On consistently upgrading its teaching-learning policy, methods and apparatus, the college is able to deliver its core services in a relevant and up-to-date manner. The effective incorporation of value-added, vocational and technical courses in its curriculum accedes a recognised stance in terms of academic diversity. The extension activities and outreach programmes as well as the efforts to partner with the government in the spread of continuing adult, mass education through the Open and Distance Modes contribute to the academic and social spheres.

1.6 NIRF Ranking

A college plays a pivotal role in not just enhancing the academic capabilities but also shaping the personalities of its students. The National Institutional Ranking Framework (NIRF),

approved by the MHRD and launched by the Honourable Minister of Human Resource Development on September 29, 2015, ranks the institutions across the country. The institution has been diligently working to fulfil all the parameters recommended by the Core Committee set up by MHRD. The college recognized the broad parameters for ranking: "Teaching, Learning and Resources," "Research and Professional Practices," "Graduation Outcomes," "Outreach and Inclusivity," and "Perception". The vision of CMS College to progress further as a higher education institution has resulted in securing the 93rd in 2021 in the All India National Level NIRF Ranking published by the Ministry of Education. The Manager and the Principal congratulated the faculty, students, non-teaching staff, alumni, parents and all other stakeholders for their unlimited support.

1.7 Highlights of the Year

- **Transition to Online Mode of Education**

CMS operates under its motto in compliance with the radical changes the field of higher education undergoes and has always been capable of contributing innovations that are avant-garde. With the new pandemic reality that has beset the world, teaching and learning

activities have been thrust online. The educational institution closures were mandated by governments across the globe, which necessitated a shift to online/distance teaching. Realizing these facts, the college aimed to explore the factors that contribute to the effectiveness of online classes, after analysing the perceptions of faculty and students towards the transition. Footing on the exploratory research design, the college ramped up its infrastructure to adapt to the sudden shift with the synchronized innovations.

The conviction resulted in effectively implementing fully online classes with good design and appropriate technology. In order to achieve this, the college renewed thinking and investment in online education, training and other educational innovations by providing facilities like a fully equipped media room, light board teaching with over 200 recorded sessions published on the college YouTube channel, strengthening student learning by providing extensive material on platforms like Google Classroom, editing project works and timely assessments with online in-semester examinations. This required the coordination and commitment of senior leadership within the institution and willingness on the part of the faculty to learn from this emergency and prepare for new modalities. The attempt to expand the toolbox of teaching tools and evolve as educators incorporated a wholesome digital environment using Learning Management System. Regardless of modality, CMS believes that teaching should be a highly social and just process. In effect, over 100 digital devices were distributed to economically backward students and 200 students were selected for various scholarships.

● Educational Theatre

Through a broadly designed and individualized curriculum, CMS College opens possibilities to develop students' artistic praxis and the leadership skills needed to transform today's learning communities in a variety of educational, cultural, and vocational contexts. Out of the myriads of new facts concerned with the educational process, the Educational Theatre was the judicious and progressive step of CMS. The Educational Theatre is equipped with the best visual and acoustic technologies. It was included in the 100-day action plan of the state government. The construction of the

theatre was completed by spending RUSA Fund. The Educational Theatre, with a seating capacity of 90, is equipped with the best visual and acoustic technologies, including an ultra HD projector and a 2000-watt RMS sound system. The College documentary will be screened during the visiting hours to elucidate the history of the College. The theatre was built by renovating the language lab of the English department. Visitor entry is restricted using visitor management systems. High-speed internet connectivity is also available here. Facilities for conducting online classes have also been arranged. Live video streaming, constructive debates between students and teachers and video conferencing too are part of the revised curriculum.

● PARAMARSH

Paramarsh is a University Grants Commission (UGC) programme introduced by the Minister for Human Resource Development (HRD). The Hindi word "Paramarsh" denotes advice or guidance. This programme aims to mentor higher education institutions (HEIs) that

are not accredited in order to help them obtain NAAC certification and raise the stature of Indian HEIs abroad. NAAC standards are met by 391 institutions and 71 universities under the Paramarsh system, according to the UGC. The chosen colleges and universities (known as will mentor those colleges and universities that don't meet the NAAC standards. On September 16, 2020, Dr T. P. Sasikumar delivered the second webinar, "NEP-2020: Educational Thoughts."

- **Mathematics Department Renovation and Solar Panel Installation**

Maths department was renovated using the RUSA fund. The continued appropriation of nature through sustainable projects like utilising solar energy to run 33 percent of the entire campus paves the way for a clean energy future. Solar Panel

installation on campus has been completed using the PTA fund. The institution recognizes this as a sustainable development that contributes to the wider growth of renewable energy by taking a visible step towards a tangible way to lower the carbon footprint and reduce greenhouse gas emissions.

- **Chemistry Annexe**

After years of careful planning, a complete renovation of the Chemistry Annexe was undertaken as part of the RUSA Initiative. This much-needed renovation provided accessibility and sufficient circulation, which enhanced the conduciveness of a learning ambience..

- **New Physics Block**

Under the Rusa aegis, a new Physics Block is under construction, which includes a complete remodel and space reassignment that suit the modern demands of learning.

- **MOU with KCA**

A memorandum of understanding has been signed between the Kerala Cricket Association and the College for the construction and maintenance of a pitch on international level on the college main ground. The MoU signed for the next ten years will provide coaching to the college students who are the current cricket champions in the university.

- **Human Resource Development Centre**

The changing demographics of higher education, as seen in increasing international competition, a spurt in private funded institutions, an increasingly mobile population, new-tech savvy students that expect anytime access to teach and resources, demand innovation in teaching practices. As a pioneer in the education sector, CMS College facilitates reforms in higher education through the appropriate modification of management systems at various levels. UGC-HRDC innovations in the college are mainly

entrusted with the responsibility of organizing in-service training programmes in recognition that an Outcome Based Education (OBE) system in higher education is the best way for learners to achieve their goals. The HRDC of the institution has successfully organized various Orientation Programmes, Refresher Courses, FDPs, seminars, workshops and other training programmes in the latest developments of their subjects by engaging experts and resource persons from academia and industry.

• Bailey Medal

The Bailey Medal, an award named after the first principal of CMS College Kottayam, Rev. Benjamin Bailey, will be introduced this year by the college's administration in order to recognise the contributions of students, alumni, teachers, and non-teaching faculty members for

their accomplishments on a global scale. This award would include a medal and a citation regarding their achievements. The award intends to achieve greater heights in academics, research, professional accomplishments, or philanthropic ventures. The CMS community is encouraged by the presentation of this award to put up their best effort. The illustrious Bailey Award is presented annually and the nominees must fulfil the requirements for being CMS fellows. He/she must belong to the CMS Clan as a current or former faculty member or student, hold an administrative post, or have had an official or unofficial collaboration with the college. The sedulous choices of the committee ended up finalizing four trailblazers for the Bailey Award: Prof. Dr. Sabu Thomas, Dr. Mohan Thomas Pakalomattom, Reema Poddar and Dr. Laly Pothan. The four awardees of the Bailey Medal for the year 2020 were announced virtually, as the world was dormant due to the pandemic.

Prof. Dr. Sabu Thomas is one of India's most renowned scientists, known for his contributions to polymer science and Nanotechnology. He is a scientist, an administrator and an excellent teacher who has students all over the world. Recently, he has been ranked 114th in the list of the world's best scientists that has been compiled by Stanford University in the US. He figures in the list as the second-best scientist in India in the field of polymer science. I am proud to say that Dr. Sabu Thomas is an alumnus of our college. Dr. Mohan Thomas, an alumnus of the pre-degree batch of the CMS College Kottayam, who is an Otolaryngologist and philanthropist based in Doha, has been conferred several ceremonious honours for his noble services in medicine. For more than 40 years, he has earned renown as a doctor and community leader in Qatar. Reema Poddar is the co-founder of AdFender Inc. and has been its COE for nearly 7 years. She is the recipient of numerous awards and accolades, including California's top business technology leadership excellence award, the top 50 California diverse leaders award, induction into the Hall of Fame list-top 100 Asian Americans, the most powerful women in technology, and the most impactful business and technology leadership award; to name a few. Dr. Laly Pothen, a research guide at the Department of Chemistry, CMS College, Kottayam, is among the top 2 percent of the most cited research scientists in the world. This list was released by Standford University in November 2020.

1.8 Academic Departments

Integrating the three academic domains of teaching, learning and research, CMS College extends twenty-three academic departments that offer well-developed undergraduate

and postgraduate courses. Among them, some are recognized research departments affiliated with Mahatma Gandhi University and accommodate full-time and part-time research scholars. The departments and their entitlements are attached in the following list:

Aided Streams

- Postgraduate and Research Department of Botany
- Postgraduate and Research Department of Malayalam
- Postgraduate and Research Department of Mathematics
- Postgraduate and Research Department of Chemistry
- Postgraduate and Research Department of Commerce
- Department of Physical Education
- Postgraduate and Research Department of Physics
- Department of Political Science
- Department of Family & Community Science
- Department of Sociology
- Department of Statistics
- Department of Economics
- Postgraduate and Research Department of English
- Postgraduate and Research Department of Zoology
- Department of Hindi
- Department of History
- Department of Vocation

Self-Financing Stream

- Department of Biotechnology
- Department of Communicative English
- Department of Commerce
- Department of Computer Science
- Department of History
- Department of Family & Community Science

1.9 Faculty Details

CMS College is enriched with a faculty ensemble of high competency and research orientation. The twenty-three departments represent a remarkable league of teachers excelling in their field of expertise and intellectual delivery. The College upholds its quality in building students of calibre and merit are footed on the faculty members of the institution. The academic and non-academic repute of the institution and the goal of maintaining its stature require the college to ensure new appointments are adequately filled and maintained.

List of New Faculty Members

Name	Designation	Department
Mr. Olive Abraham Chandy	Assistant Professor	Chemistry
Ms. Agna Mariyam Laji	Assistant Professor	Commerce
Dr.Jentle T Varghese	Assistant Professor	English
Dr.Appu Jacob John	Assistant Professor	English
Dr. Tiya Mariam Jacob	Assistant Professor	Malayalam
Mr. Sreekumar K R	Assistant Professor	Botany
Ms. Sarina Thomas	Assistant Professor	Commerce
Ms. Jyothi Prasannakumar	Assistant Professor	Computer Science
Ms. Shikka Tomy	Assistant Professor	Computer Science
Ms. Naveena Tresa Joseph	Assistant Professor	Computer Science
Mr. Alert Mathew Joseph	Assistant Professor	Economics
Ms. Meebil C Mathew	Assistant Professor	Economics
Ms. Ajithakumari J	Assistant Professor	Hindi
Ms. Devipriya R	Assistant Professor	History
Ms. Caroline Susan Ajith	Assistant Professor	Mathematics
Ms. Umadevi.G	Assistant Professor	Chemistry
Ms. Mekha Mariam Mathew	Assistant Professor	Chemistry
Dr. Ajitha Sasi	Assistant Professor	Statistics
Ms. Riya Susan Shaji	Assistant Professor	Vocation
Ms. Lakshmimol C P	Assistant Professor	English

1.10 Committees Functioning in the College

The college has twenty-one Statutory and Non-Statutory committees to ensure proper management of academic, financial, and general administrative affairs. The committees are

led by several faculty members in order to ensure proper management, safety, equal opportunity, maintenance, infrastructure, equipment and funds, for the institution's proper functioning and the welfare of its community. The following index enumerates the names of the committees included:

- IQAC
- Equal Opportunity Cell
- Anti-Ragging
- ICC
- Student Discipline Committee
- Grievance Redressal Committee
- Student Welfare Committee
- Admission Committee
- UGC Committee
- Academic Affairs Committee
- Equal Opportunities Cell for students with special needs
- Department Self-Assessment Committee
- Alumni Committee
- Purchase Committee
- Building Committee
- RUSA Committee
- PTA Executive Committee
- Research Ethics Committee
- Research Advisory Committee
- Extra-Curricular Affairs Committee
- SSP- WWS Monitoring Committee
- Village Extension Activity
- DBT Star College Scheme Department Coordinators
- Industry Institute Interaction Cell (IIIC)
- Career Guidance and Placement Cell
- Institution's Innovation Council (IIC)
- Library Committee
- College Union Committee
- Hostel Committee
- Canteen Committee

2. CURRICULAR DESIGN AND DEVELOPMENT

The curriculum framework of the College informs the goals of education, methodologies, content, and roles of teachers and students with the focus of achieving

specific goals. This is communicated in developing the curriculum to assimilate the requirements, course structure, assessment programmes, and IT sustainability. These goals of education are determined by the philosophical, sociological, economic and technical focus of the institution.

2.1 Programmes Offered

UG Programmes

No	Programmes (UG)	Complementary Subjects	Mode	Seats
1	BA Economics	History, Political Science	Aided	40
2	BA English Language & Literature		Aided	50
3	BA Communicative English (Triple main)		Self-Financing	30
4	BA History	Economics, Political Science	Aided	50
5	BA Malayalam Language & Literature		Aided	24
6	B.Com Model I Finance & Taxation		Aided	50
7	B.Com Model I Finance & Taxation		Self-Financing	90(2Batch)
8	B.Sc Biotechnology & Botany		Self-Financing	30
9	B.Sc Botany	Chemistry, Zoology	Aided	48
10	B.Sc Chemistry	Mathematics, Physics	Aided	48

2.2 Value Added Courses

Value-Added Courses aim to supplement the curriculum, encourage students to identify their own interests and abilities, and provide market-oriented programmes, skill-enhancing corporate education, and career-focused programmes to the student body in order to prepare them for future successful employment. It introduces students to the most recent technological advancements and subsequently assists them in building careers of great potential. As a result, it offers them a specific idea to concentrate on their areas of interest. The college intends to motivate students to access the resource pools of renowned educational institutions like Oxford, Cambridge and Yale, finish the course, and receive a certificate by adopting the MOOC courses as the Value-Added Courses. The student will be eligible to receive extra credits in addition to their degree upon presenting these credentials at the college. The courses can be pursued in addition to conventional degree programmes. The

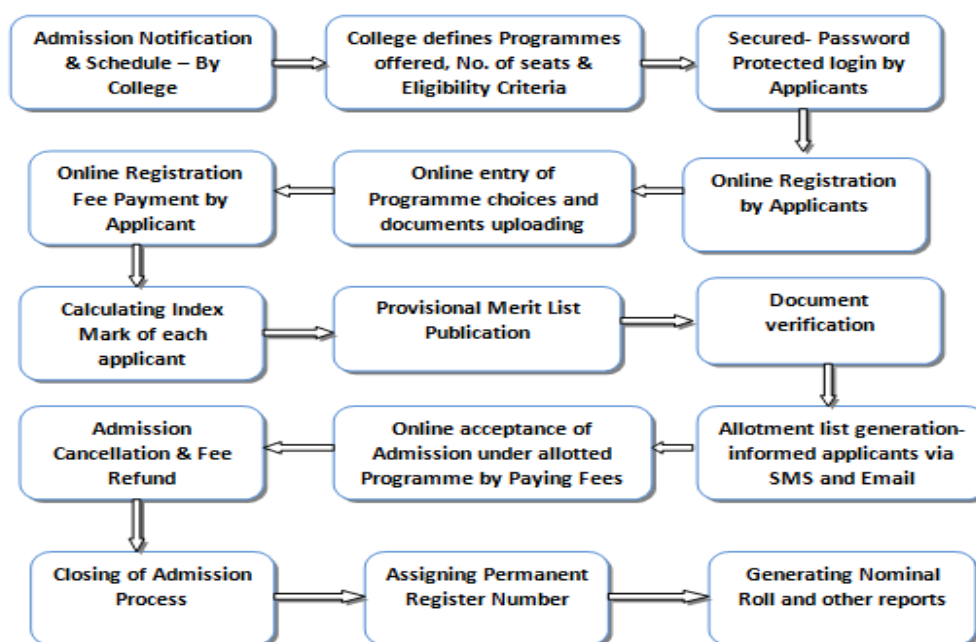

following value-added courses, which are optional and not part of the curriculum of the different programmes, were offered by the university.

Sl.No	Name
1	IT Support Professional
2	Software Testing Foundations
3	Cyber Security
4	Customer Service Skills
5	Airport Ground Services
6	Safety and Security Services in an Airport

2.3 Admission

The digitisation of the institution has resulted in the establishment of an internally developed digital solution to aid the management of student admissions. The CMS Eduware software covers inquiries regarding enrolments, document gathering, candidate shortlisting, and makes it easier to complete the admissions process through online channels.

Online Admission Management: Enhance the admission system in the institute by automating all the processes and tasks using **CMS Eduware**. The Online Admission System caters to all aspects of the institute's admission process with the help of CMS Eduware. It helps in storing a complete database of student information, eligibility criteria, merit lists, fee structures, and news updates regarding the institute. Further, it gives restricted access to authorities based on their role and position in the institute.

The ability of the institution to function depends heavily on admissions since student presence is essential to the institution's vibrancy. The Student Admission is one of the most important activities within a college. Online admission Process can be divided into three stages.

- Pre-Admission Stage
- Admission Stage
- Post Admission Stage

Number of Students Admitted in the Year

Programme name	Programme Code	Number of seats sanctioned	Number of Students admitted
B. A. English	BAEN	50	49

2.4 Student Orientation and Induction Programme

The juncture preceding the period of schooling is a crossroad where any undergraduate student embarks on decisive changes in academic life, anticipating beneficial results through higher levels of education offered by college or universities. CMS College offers effective student induction programmes at the outset of every academic year to help newly enrolled students to adapt and acclimatise themselves with the collegiate system of learning. In addition to instilling the ethos and culture of the institution, the programmes also enable them to develop a sense of solidarity that can enhance a purpose and community in the young minds through the exposures let opened to them throughout the years of academic exercise.

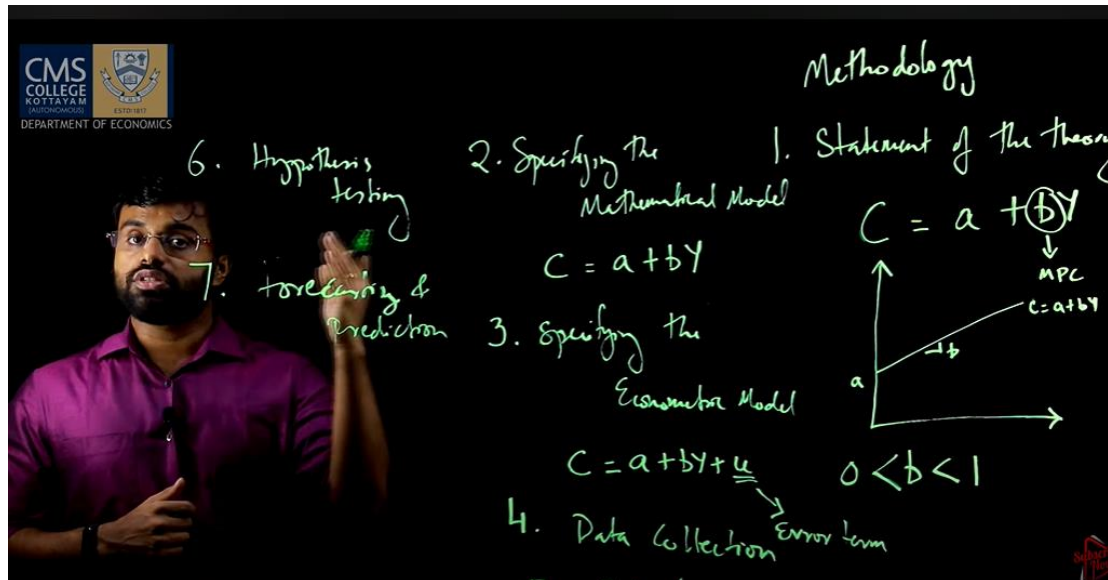

Student Induction Programme 2020-PG (Youtube Live)	03/12/2020 (Day 1) 10.00 - 11.30	Dr. Kuruvilla Joseph, Outstanding Professor & Dean, Indian Institute of Space Science and Technology, Trivandrum	Rev. Jacob George(Bursar - Prayer), Dr.Samkuttu George (Admission Officer - Welcome and Introduction), Dr.Varghese.C.Joshua (Principal - Principal's address, Dr. Kuruvilla Joseph - Keynote address), Tilda Mary Daniel (PG Admission Coordinator - Vote of thanks)
Student Induction Programme 2020 12-21 oct 2020 - UG (Youtube Live)	12/10/2020 Day1 10.00-11.30	Dr. Sabu Thomas, Honourable Vice Chancellor, MG university, Kottayam.	Rev. Jacob George(Bursar - Prayer), Dr.Samkuttu George (Admission Officer - Welcome), Dr. Varghese.C.Joshua (Principal - Principal's address, Dr. Sabu Thomas - Keynote address), Dr. Mini Chacko (Vice Principal &CoE - Felicitation), Dr.Joji John Panicker(Director, IQAC - Felicitation), Ms. Rincy Thomas (Vote of thanks)

2.5 Teaching Learning Techniques Used

The college is well resourced for a range of academic programmes. Supported by the expertise of eminent technicians, the institution maintains 86 well-ventilated, spacious classrooms, provided with black/ green/ white boards, adequate furniture and LED lights. To

ensure substantial research activities, the college is equipped with 12 research rooms. All departments have separate faculty rooms and are provided with laptops, desktops, printers.

❖ CMS College YouTube channel

❖ EMMRC

❖ Lecture Capturing System

❖ Mixing Equipment's and Software for Editing

2.6 Evaluation System and Results

The term and semester examination held by the college is scheduled by the Office of the Controller of Examinations. The office headed by the independent capacity of the Controller of Examinations (COE) declares and uploads the timetable for the examinations scheduled. The Exams are administered centrally by the Examinations Office. The official exam portal is activated prior to the commencement of the examinations. The Office appoints a Chief Superintendent and an Assistant Superintendent of Examinations, who in turn is assisted by a seven-member team. Invigilator scheduling, Result monitoring and publishing are covered by the domestically developed software solution system (CMS EDUWARE).

Stages of Valuation Process

- Adding external valuator details
- Assign internal and external examiners to each course of each exam (assign answerscript bundles to examiners)
- First and second valuation mark entry
- Generating third valuation list
- Assign examiners for third valuation
- Third valuation mark entry

Result Analysis

Annual analysis of aggregate results helps to identify the areas of strength and weakness of the students and forecasts the deployment of requisites for improvement. The academic performance of students in majority of departments appears to have significantly improved based on the patterns of the 2020-2021 academic year.

Pass Percentage

UG	82.85
PG	90%

2.8 Feedback

The college employs a systematic method to analyse and review its teaching-learning strategies for future enhancements in the college through a well-structured feedback system. Implemented by the IQAC wing, this system carries out regular feedback analysis of syllabus and curriculum, faculty performance, department performance and various activities undertaken by the college.

Feedback on Curriculum

The Internal Quality Assurance Cell (IQAC) systematically collects feedbacks from the different stake holders including students, teachers, employers/industrial experts, subject

experts, alumni and parents in online/offline mode to evaluate the current curriculum. The feedbacks collected are systematically analysed and discussed at the Board of Studies of the various departments and the curriculum are revised accordingly. Once the Board of Studies approves, it is then forwarded to the Academic Council. Academic Council then finalises the revised curriculum along with the Academic Regulations. For further approval, it is forwarded to the Governing Council.

Student Feedback Analysis Report

Particular	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
	Agree				Disagree
Curriculum and syllabus is well organised and suitable to the programme	43	55	2	0	0
Curriculum developed is relevant to the local/ national/regional/global developmental needs and it is reflected in the Programme Specific Outcomes(PSOs) and Course Outcomes(Cos)	38	59	2	1	0
Curriculum integrates crosscutting issues relevant to Human Values/Environment/Sustainability	53	45	2	0	0
The contact hours stated in the syllabus is sufficient to complete the course within the stipulated time	46	53	1	0	0
Sufficient number of prescribed books and reference materials are available in the library	47	52	1	0	0
The syllabus generates interest in the subject area	56	42	2	0	0
Curriculum enrichment activities like field study and institute visits are included in the syllabus	54	45	1	0	0
Curriculum has prospects for higher education/employability/entrepreneurship/skill development	45	52	3	0	0
The curriculum has scope for internship/training/research	47	52	1	0	0

Faculty Feedback Analysis Report

Particular	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
Curriculum developed is relevant to the local/national/regional/global developmental needs and it is reflected in the PSOs and Cos	44	50	6	0	0
The curriculum and syllabus content is well organised and suitable to the programme	54	38	8	0	0
Curriculum integrates crosscutting issues relevant to Human values/Environment/Sustainability	53	47	0	0	0
PSOs and Cos are well defined and clear	44	52	4	0	0
There is provision for curriculum revision	37	62	1	0	
Distribution of contact hours among the course components are sufficient and the syllabus can be covered within the given time	43	54	1	2	0
Sufficient number of prescribed books and reference materials are available in the Library	35	63	2	0	0
The Curriculum has prospects for higher education/employability/ entrepreneurship/ skill development	36	61	3	0	0
The curriculum has a scope for internship/training/research	29	68	3	0	0
Give your observation/suggestions to improve the overall teaching-learning experience in your departments	34	61	5	0	0

Employer Feedback Analysis Report

Particular	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
The curriculum is need based and meets the expectation for employment	42	55	2	1	0
The syllabus has good balance between theory and application	44	55	1	0	0
The Curriculum has prospects for higher	58	40	2	0	0

Particular	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
education/employment					
Awareness on the recent developments in the field provided	53	46	1	0	0
The curriculum makes the student competent	52	47	1	0	0
The curriculum can help the student to begin new ventures as it provides entrepreneurial motives	47	42	10	1	0

Alumni Feedback Analysis Report

Particular	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree
The curriculum fulfils the prerequisites needed for employment/higher education	52	45	3	0	0
The syllabus generates interest in the subject area	53	44	3	0	0
The design of the course encourages self-learning	52	46	2	0	0
The curriculum ensures overall development of student	57	42	0	1	0
The Curriculum has been helpful to you with your present status/employment/higher education	56	42	2	0	0

2.9 Faculty Enrichment Programmes

Faculty Orientation Programme

In order to inculcate the philosophy of education and the pedagogy of Indian system of education, the college organises effective faculty orientation programmes on a regular basis. The programmes entail components that thrust up on the linkages between society, environment, development and education, knowledge generation, management, personality development and resource awareness.

Vimal George Kurian	Two Weeks Faculty Development Programme on Quantitative Methods for Data Analysis- Teaching Learning Centre.	12-08-2020 To 25-08-2020
Appu Jacob John	Need for Examination Reforms in the Changing Scenario by Bp. More College and KSHEC	12-08-2020 To 13-08-2020
Sreeja K	FDP on “Need for Examination Reforms in Changing Scenario”	12-08-2020 To 13-08-2020
Sreeja K	Short Term FDP (Interdisciplinary) Organised by UGCHRDC, University of Kerala	12-08-2020 To 18-08-2020
Anooja.I	One Week online Short-Term FDP (Interdisciplinary) on "Towards A Digital Era of Teaching and Learning"	12-08-2020 To 18-08-2020
Elizabeth Cherian	Five Days “Professional Development Program on Scholarly Publications”	10-08-2020 To 14-08-2020

Name of the Faculty	Title of the Program	Duration
Shinu Peter	International Virtual Seminar on Advanced Materials for Energy Conversion and Storage	10-08-2020 To 13-08-2020
Susan Mathew	Technology Enabled English Language Teaching, Prajyothi Niketan College, University of Calicut	10-08-2020 To 14-08-2020
Radhika G	Reminiscences of History	09-08-2020 To 15-08-2020
Sindhu Thomas	Programming Essentials for Mathematics Using Python	09-08-2020 To 14-08-2020
Resmi Cherian	FDP on Machine Learning Techniques for Brain-Computer interface Applications	30-07-2020 To 01-08-2020
Sreeja K	2-Week FDP Conducted by TLC, Ramanujan College, Delhi (Pmtt Scheme)	25-07-2020 To 10-08-2020
Resmi Cherian	International FDP on Linux Fundamentals with Cloud and Container Platform	22-07-2020 To 28-07-2020
Vimal George Kurian	7 Days Faculty Development Programme on Time Series and Panel Data Analysis	20-07-2020 To 26-07-2020
Tilda Mary Daniel	7 Days National FDP on Time Series and Panel Data Analysis - Teaching Learning Centre, Ramanujan College	20-07-2020 To 26-07-2020
Sreeja K	Short-Term FDP on Implementation of ICT in Teaching	18-07-2020 To 24-07-2020
Lekshmi S Kaimal	One Week international Faculty Development Program	18-07-2020 To 24-07-2020
Ani Merly Paul	One Week online Short Term, "Implementation of information and Communication Technology in Teaching"	18-07-2020 To 24-07-2020
Nisha P Aravind	FDP on Implementation of informatics and Communication Technology in Teaching	18-07-2020 To 24-07-2020
Sumod M. John	FDP on online Education in Higher Education institutions	13-07-2020 To 17-07-2020
Sreeja K	One Week FDP on online Education in Higher Education institutions Conducted by KSHEC	13-07-2020 To 17-07-2020
Preema C. Thomas	FDP on online Education in Higher Education institutions	13-07-2020 To 17-07-2020
Sam Rajan	FDP on online Education in Higher Education institutions	13-07-2020 To 17-07-2020
Jobin Mathew	FDP on online Education in Higher Education institutions	13-07-2020 To 17-07-2020
Neema Sara John	FDP on the Impact of GST on the indian Financial Market	05-07-2020 To 05-07-2020

Name of the Faculty	Title of the Program	Duration
Vishnu Prakash	FDP on the Impact of GST on the Indian Financial Market	05-07-2020 To 05-07-2020
Parvathy B	FDP on the Impact of GST on the Indian Financial Market	05-07-2020 To 05-07-2020
Neema Sara John	FDP on Sebi as A Regulator: invested-Oriented measures	04-07-2020 To 04-07-2020
Vishnu Prakash	FDP on Sebi as A Regulator: invested-Oriented Measures	04-07-2020 To 04-07-2020
Parvathy B	FDP on Sebi as A Regulator: invested-Oriented Measures	04-07-2020 To 04-07-2020
Appu Jacob John	One Week FDP Development and Management of MOOCs and online Courses Using Lms-Moodle	30-06-2020 To 04-07-2020
Jisha Mary Mathew	One Week Faculty Development Programme on Financial Markets: Teaching and Research Perspectives	27-06-2020 To 03-07-2020
Riju Varkey Thomas	One Week Faculty Development Programme on Financial Markets: Teaching and Research Perspectives	27-06-2020 To 03-07-2020
Ann Abraham	One Week National FDP -Department of Commerce, Bishop Moore College Mavelikara	27-06-2020 To 03-07-2020
Vimal George Kurian	One Week Faculty Development Programme on Financial Markets: Teaching and Research Perspectives	27-06-2020 To 03-07-2020
Minnie Mary Ninan	One Week FDP – ‘Workshop on Financial Market: Teaching and Research Perspective	27-06-2020 To 03-07-2020
Christine Sara Abraham	"Online induction Training/Orientation Programme" for Faculty in Universities/Colleges/Higher Educational institutions	26-06-2020 To 24-07-2020
Ajish K. R.	"Faculty in Universities/Colleges/Institutes of Higher Education"	26-06-2020 To 24-07-2020
Rijuvarkey Thomas	Induction/Orientation Programme	26-06-2020 To 24-07-2020
Agna Mariyam Laji	Induction/Orientation Programme	26-06-2020 To 24-07-2020
Lekshmi S Kaimal	One Week international Faculty Development Program on JSS Digital Learning with Multidisciplinary Approaches	12-06-2020 To 17-06-2020
Vimal George Kurian	One Week Faculty Development Programme on Open-Source Tools for Research, Teaching Learning Centre - Ramanujan College.	08-06-2020 To 14-06-2020
Vishnu Prakash	FDP on Effective online Teaching Strategies	06-06-2020 To 06-06-2020

2.10 Projects

The college regularly receives grants from government and non-governmental agencies for research projects, endowments, and Chairs. Teaching and learning activities have been shifted online due to the new pandemic reality that has devastated the world. Governments across the world enforced the closure of educational institutions, which demanded a switch to online/distance learning. Due to this unprecedented situation, research projects did not see any fruition.

3. RESEARCH

3.1 Research Centres

The departments of Botany, Chemistry, Commerce, English, Physics, Mathematics, Zoology and Malayalam are the recognized research centres at CMS College, Kottayam with 20 active research guides. Awards for the completion of Ph.Ds, Research Innovation awards, Research Excellence awards, and Lifetime achievement awards (Bailey Medal) are provided to deserving scholars for promoting quality research output.

The college receives funding from SERB, DBT, RUSA, SAP, UGC, KSCSTE, and CPE to enhance the overall infrastructure facilities of research. An extension of the Mahatma Gandhi University Library (MG Study Centre) on the campus deserves special mention because it is a digitized and fully automated library with Koha software for library management and the institutional software repository platform Dspace along with Turnitin software for plagiarism checking. Quillbot and Grammarly (access through INFED-Shibboleth) software are available for promoting quality publications and dissertations. Considering the potential consequences of plagiarism, the college's plagiarism-checking software takes steps to avoid it.

The college's Seed Money Grants are flexible in nature, allowing recipients to use the funds in whatever manner that suits the project at hand. These are valuable sources of financial support to help launch innovative research projects and scholarly activities in areas where external funding is limited or unavailable. These grants enable researchers to explore new fields of study and acquire the necessary resources to begin their projects. The R. E. Newton Research Grant is a Research Seed Money Grant that aids faculty members in

preliminary research since 2017. This grant provides financial support for attending workshops and seminars, along with other incentives for scholarly publications in Indexed Journals.

National Science Day Seminar on the topic ‘Seeing the Nanoworld at Femtosecond Timescales’ was conducted via Google Meet on 11th February 2020 by the Department of Physics as the national science day celebration in association with the Academy of Physics Teachers Kerala.

Research orientation sessions are organized in the college for the students to understand what is expected of them in terms of coursework, projects, and other assignments. The presence of both PG and UG students is encouraged in seminars, workshops, open defence and viva-voce to familiarize them with the college’s research activities. Scholar-in-Residence programmes, Bilateral research programmes, and international research collaborations with the Institute of Applied Mathematical Research, Karelian Research Centre of Russian Academy of Science, Petrozavodsk State University and NAMRC with Toyo University, Japan are organized to magnify the research objectives of the college. The college offers 24-hour accessibility to research labs, spacious conference halls and a separate workspace for all research scholars and research guides. The Chief Research Facilities such as Common Instrumentation Centre, Central Computing Facility, Internet facility, NLIST access, and reference library are open to researchers. The college has spent for creating, developing and maintaining these research-promoting facilities.

3.2 Research Guides

Quality of research is fundamental to the academic policy of the college. The expertise and commitment of the eminent research supervisors in the institution have contributed to substantial research projects of outstanding merit. The institution has 8 active research centres with 20 supervising teachers.

Research Scholars Joined in 2020-21

Sl. No.	Regn. No. & Year	Name	Subject/ Specialization	Name of Supervising teacher	Mode of research
1.	437/2020	Jithin Joy	Commerce	Dr. Vimal George Kurian	Part-Time
Title of research: Role of Behavioural Finance in the Momentum Trading in Indian Stock Market					
2.	434/2020	Lenittamol Abraham	Commerce	Dr. Vimal George Kurian	Full Time (JRF)
Title of research: Influence of Investor Sentiments on Volatility of Security Prices in Future Markets					
3.	436/2020	Maria James	Commerce	Dr Vimal George Kurian	Full Time (JRF)
Title of research: Influence of Behavioural Bias and Heuristics in Indian Stock Market					
4.	435/2020	Riju Varkey Thomas	Commerce	Dr Vimal George Kurian	Part Time
Title of research: Role of Domestic Institutional Investors in the Development of Indian Stock Market					
5.	182/2021	Jithesh J Nair	English	Dr Joji John Panicker	Part Time
Title of research: Rediscovering Life Place : An Ecocritical Analysis of Bioregional and Ecosophical Imagination in Select Texts					
6.	359/2020	Lakshmimol C P	English	Dr Joji John Panicker	Full Time
Title of research: Friction of Faction : Proliferation of Post-Truth in Select Indian Political					

Sl. No.	Regn. No. & Year	Name	Subject/ Specialization	Name of Supervising teacher	Mode of research
Texts					
7.	222/2020	Lakshmi S	History	Dr Sumi Mary Thomas	Full Time
Title of research: Care Under the Crown : Medical Interventions in Princely Travancore					
8.	113/2021	Arjun Suresh P	Physics	Dr Arun Kumar K V	Full Time
Title of research: Structural, Electrical and Optical Characterization of Plasmonic FAPBI3 Perovskite in Solar Cells					
9.	114/2021	Athira Maria Johnson	Physics	Dr Arun Kumar K V	Full Time
Title of research: Structural, Dielectric and Optical Studies of Rare Earth Ions/Plasmonic Nanoparticles doped SCL-GEL Synthesized Glass Multicomponent					
10.	94/2020	Greeshma Sara John	Physics	Dr Arun Kumar K V	Full Time
Title of research: Synthesis and Characterisation of Plasmonic Nanostructures and their Application in Dye-Sensitized Solar Cells					
11	95/2020	Rohini K V	Physics	Dr Ravikumar C.	Full Time
Title of research: Spectroscopic Investigations and DFT Computations of Anti-Malarial Drugs					
12.	242/2021	Aleena Elsa Mani	Zoology	Dr Nisha P Aravind	Full Time
Title of research: Biogenic Synthesis of Metal Nanoparticles and Their Potential Applications					
13.	126/2020	Amrutha V. Raghu	Zoology	Dr Nisha P Aravind	Full Time
Title of research: Seasonal Variation and Diversity of Odonates in Vembanad Kole Wetland with their Potential as Biological Indicators					
14.	124/2020	Edwin Joseph	Zoology	Dr Jobin Mathew	Full Time
Title of research: A Taxonomic Record of Termite (Isoptera) Diversity in Central Kerala Using Molecular Markers					
15.	125/2020	Sajithmon V	Zoology	Dr Jobin Mathew	Full Time
Title of research: Diversity of Aphids (Family: Aphididae, Order: Homoptera) in Central Kerala Using Molecular Markers					

3.4 Research Publications

A research publication is any readily available artifact which has conceded peer review, hence determining the output of research. Publishing the research works in a public domain is vital to the evaluation of the research activity by the academic audience for it increases the visibility and credibility of researchers and opens prospects for future research.

The faculty at CMS College are encouraged to publish research articles which is important for maintaining academic standards.

Title of the Book/Chapter/Paper	Name of the Teacher	Department	Name of the Journal	Year	ISSN- No.	UGC/ Scopus
Free-Ranging Dogs Are Capable of Utilizing Complex Human Pointing Cues	Mebin George Varghese	Zoology	Frontiers in Psychology	2020	1664-1078	Scopus & WoS
The Potential of Earthworms in Soil Carbon Storage: A Review.	Vijo Thomas Kurian, et. al.	Zoology	Environmental and Experimental Biology	2020	2255-9582	UGC
Monoculture vs. mixed-species plantation impact on the soil quality of an ecologically sensitive area	Vijo Thomas Kurien, et. al.	Zoology	Journal of Agriculture and Environment for International Development	2020	2240-2802	UGC
Potential Mechanism of Dermal Wound Treatment with Preparations from the Skin Gel of Arabian Gulf Catfish: A Unique Furan Fatty Acid (F6) and Cholesta-3,5-Diene (S5) Recruit Neutrophils and Fibroblasts to Promote Wound Healing	Sossamma Oommen, et. al.	Zoology	Frontiers in Pharmacology	2020	1663-9812	Scopus & WoS
New species of termite <i>Pseudocapritermes kunjepu</i> Mathew sp. nov. (Blattodea: Termitidae: Termitinae) from India	Jobin Mathew, et. al.	Zoology	Journal of Insect Biodiversity	2020	2147-7612	Scopus & WoS
Association between rainfall and the prevalence of clinical cases of dengue in Thiruvananthapuram district, India	Nisha P Aravind, et. al.	Zoology	International Journal of Mosquito Research	2020	2348-5906	UGC
Evaluation of antibacterial efficacy of 0.1% octenidine hydrochloride and 2% chlorhexidine gluconate against enterococcus faecalis - an in vitro study	Jinu John, et. al.	Biotechnology	International Journal of Scientific Research	2020	2319-7064	UGC

3.6 Collaborations

Collaborations in institutes of higher education can take numerous forms, including joint research projects and exchange programmes for students and staff. Higher education institutions that work together to achieve shared goals can reap benefits that are good for all parties involved, including students, faculty, and the community at large. When colleges work together, they are able to do more than they could on their own and create a more stable foundation for their future achievements. At CMS College Kottayam, joint research projects are truly collaborations between faculty members from other universities. These collaborations have the potential to result in creative research projects that are beneficial to both of the participating institutions. When researchers combine their resources and their experience, they are better able to solve difficult challenges and generate new information.

3.10 Grants

The college receives funding from SERB, DBT, RUSA, SAP, UGC, KSCSTE, NIF, PARAMARSH and CPE to enhance the overall infrastructure facilities of research.

3.11 YIP

CMS College Kottayam (Autonomous) has a vibrant and sustainable eco-system for the creation, innovations, and transfer of knowledge. The dedicated and integrated functioning of centres of research, entrepreneurship, community orientation, and incubation in the college provides a conducive environment for the sustenance of this ecosystem. Institution's Innovation Council (IIC), Innovation and Entrepreneurship Development Centre (IEDC), Entrepreneurship Development Club (ED club), Young Innovators Programme (YIP), and Incubation centre are the platforms that enable to create a vibrant local ecosystem for innovation, entrepreneurship and start-ups through various activities such as workshops, seminars, competitions, fairs, interactions with entrepreneurs and professionals, training, and feasibility analysis they foster a culture of innovation and entrepreneurship. Young Innovators Programme (YIP), and Incubation centre are the platforms that enable to create a vibrant local ecosystem for innovation, entrepreneurship and start-ups through various activities such as workshops, seminars, competitions, fairs, interactions with entrepreneurs and professionals, training, and feasibility analysis they foster a culture of innovation and entrepreneurship. A Research Innovation Award is also instituted to promote the innovation ecosystem.

4. EXTRA CURRICULAR ACTIVITIES

To offer opportunities for students to acquire the values of teamwork, individual and group responsibility, physical strength and endurance, competition, diversity, and a sense of culture and community, CMS College provide channels for extra academic activities like sports, games and other cultural activities.

4.1 Extension Activities

NSS Organised Activities

Sl No	Name of the Activity
1	Donation of Mobile Phone in Adopted Village (Community Outreach Programme)
2	Bike Rally
3	Breast Cancer Awareness Talk & Mini Medical Camp

SI No	Name of the Activity
4	One Time Scholarship
5	Child Care Project
6	Children's Day Celebration
7	COVID 19 Awareness Video
8	COVID 19 Awareness Through social media
9	Election Awareness Video- How To Enroll in Voters List
10	Hair We Care - Hair Donation Campaign
11	International Women's Day Celebration - Inter Collegiate Poetry Competition
12	International Yoga Day
13	Kaithang- MuttakozhiVitharanam
14	Kilikkudam Project
15	"Mask Please" : Covid 19 Awareness Video
16	Mini Blood Donation Camp
17	National Voters Day - All Kerala Speech Competition for College Students
18	"Oru Dinam Oru Roopa" Project - Kit Distribution (Community Outreach Programme)
19	One Day one Rupee" Scheme - Study Materials Distribution (Community Outreach Programme)
20	Paper Bag Day
21	Plant a Life Challenge
22	Plogging Run
23	Webinar: Pombattaykkoru Poonthottam (Butterfly Garden)
24	Pre RD Parade Kottayam District Selection at CMS College Kottayam
25	Shigella Disease Awareness Poster
26	Doothu' - Smartphone Distribution for online Classes
27	SVEEP- Awareness Posters Sharing at Auto Rickshaws in Kottayam Town
28	SVEEP- Awareness Program at Kottayam
29	SVEEP- Vote Tree
30	SVEEP- Awareness Program at Adopted Village
31	SVEEP- Poster Pasting on Buses
32	SVEEP- Awareness Program at Kumarakom
33	SVEEP- Poster Pasting on Buses
34	Webinar: Awareness on Prevention of Cancer and Healthy Lifestyle
35	Webinar- Leafy Garden to Ensure Nutrition
36	Webinar: Ningalkku Engane Oru Sasthagnjanakam
37	Webinar: Seethakala Pachakkari Krishi Ariyendathellam
38	AIDS Day Activity: Paper Bag Distribution with Messages on it
39	World Animal Day Celebration
40	World Day Against Child Labour

SI No	Name of the Activity
41	COVID 19 Awareness through social media
42	Public Awareness
43	Photo Collage
44	Be The CHANGE- Let us Break the Chain together, a cartoon to make people aware.
45	Mother's Day celebration
46	World Environment Day
47	World Blood Donors Day
48	Plastic Bag Free Day
49	World Population Day- Easy to Add, Difficult to Maintain, Let's does not burden our Home.
50	Kargil Vijay Diwas
51	Pre-Monsoon online Training- Samoohika Sannadhasena
52	NSS Day Celebration
53	Mental health awareness webinar Topic: Well Being
54	Webinar-Role of Youth in Nation Building.
55	Webinar on Wildlife Conservation and Photography.
56	BRIDGE PROJECT Financial Assistance Scheme for Students
57	Webinar on UN @75
58	Orientation Webinar on National Service Scheme: Philosophy, Goals and Relevance
59	National Pollution Control Day
60	Election Awareness Video
61	“വീട്ടിൽ ഒരു ഔഷധത്തോട്ടം” Inauguration of the Project.
62	New Voters Enrollment Training
63	An Interactive Session on Healthy Lifestyle
64	Martyrs Day
65	SVEEP- Election Awareness Video

NCC Organised Activities

SI No	Name of the Activity
1	World Environment Day Celebration
2	Yoga Day 2020
3	Republic Day 2021
4	Online NCC Fest

4.2 Achievements in Extension Activities

NSS

Sl. No.	Name of the Award
1.	Certificate of Appreciation for the volunteer- Outstanding Performance as NSS volunteer
2.	Best NSS volunteer of MG University
3.	NSS Elocution Competition-Second Prize- Elocution Competition, Girideepam Institute of Advanced Studies

NCC

Sl. No.	Name of the Award
1	Spencer Roney won 1 st prize in the Best Cadet Competition in inter battalion NCC fest (National Level Virtual Fest named YODHA-2K21) Baselius college.

4.3 Sports & Cultural Events

Sl No	Name of the Award/ medal	Team/ individual	Inter- university/ State/ National/ International	Name of event	Name of student	UPRN
1	Best manager	Individual	State	GIMS -All Kerala Best manager contest	Hannah Tom	202117137
2	1st runner up	Individual	State	GIMS - All Kerala Best manager contest	Sandra Teresa Saji	182117331
3	First	Individual	State	Wrestling Championship 2020-21-Womens Wrestling 62 kg	Femiya Rose A F	201103107
4	Second	Individual	State	Wrestling Championship 2020-21-Womens Wrestling 65 kg	Devisree M R	201103106
5	Second	Individual	State	Elocution Competition - GIAL	Ansu Chacko	201103103
6	First	individual	State	Essay Writing Competition - St.StephensUzhavoor	AshitaRegit	182115320
7	First	individual	State	Intercollegiate essay writing competition	Aleena Bose	192117103
8	Qualified	Individual	National	National online Quiz Competition	Govind T S	182117321

5. PLACEMENT AND PROGRESSION

Through its organised and efficient aptitude testing, the institution's placement cell plays a crucial part in linking students with prospective employers and streamlining the job placement process. In order to promote an Industry-Institution Interaction, the cell is in charge of both, on- and off-campus placement activities, bringing together students and the business community. The placement cell runs a number of training programmes for placement and employability skills throughout the semesters to get students ready for their future careers.
