Agenda 1: Approval for the implementation of Four Year Under Graduate Programme

Mr Sumod M John chairman, informed the board that as per the Government of Kerala and MG University regulations, Four Year Under Graduate Programme needs to be implemented from the next academic year (2024-25). For this the college intends to take the draft syllabus of the MG university as the base document for the finalising the syllabus. The chairman requested the board for the approval of the initiation of the implementation of the FYUG Programme. Dr. Gigi George, supported the decision stating that the implementation is based on the National Education Policy. Dr Sunish K S was of the opinion that since the academic autonomy is limited to 20 percent change in the syllabus, revision is advisable only after the draft syllabus is available. He also requested the chairman to make the syllabus available to the board members in advance of the meeting for syllabus revision. The board approved the proposal. Dr. Vibin Ipe Thomas proposed the vote of thanks. The meeting came to an end at 2:00 pm.
