Agenda: Approval for the implementation of Four Year Under Graduate Programme

Dr. Ann Abraham chairman, informed the board that as per the Government of Kerala and MG University regulations, Four Year Under Graduate Programme needs to be implemented from the next academic year. For this the college intends to take the draft syllabus of the MG university as the base document for the finalising the syllabus. Based on the draft syllabus, a detailed discussion of the board on each course will be done. The chairman requested the board for the approval of the initiation of the implementation of the FYUG Programme. Dr. Bino Joy, the university nominee supported the decision stating that the implementation is based on the National Education Policy. Mr. George John opined that topics based on the latest technology such as Artificial Intelligence should be incorporated in the new syllabus. CA K Balaji also supported, and advised that commerce graduates should be aware of the latest trends in this specific area of study. Dr. Joseph James was of the opinion that since the academic autonomy is limited to 20 percent change in the syllabus, revision is advisable only after the draft syllabus is available. He also requested the chairman to make the syllabus available to the board members in advance of the meeting for syllabus revision.

The board approved the proposal.

Dr. Vimal George Kurian proposed the vote of thanks. The meeting came to an end at 3:00 pm.
