8. Dr. Sreelatha K-S Member 

Also present member secretary Dr. Seema R

Dr. Indulekha, Dr. Reenu Jacob, Dr. Blesson George joined the BOS meeting in the online mode through the link

Apology of Absence: Mr. Preman D. Ninan, Dr. Biju, Dr. Ravi Kumar

In the introductory comments, Chairman Mr. Sam Rajan outlined the agenda for the BOS meeting, highlighting the necessity for an initial discussion on modifying the syllabus for the Four-Year Undergraduate Programme (FYUGP).

Agenda 1: The preliminary discussions and suggestions for FYUGP

The benefits of a four-year undergraduate program can differ based on personal preferences, career aspirations, and the nature of the program. A thorough discussion about the Four-Year Undergraduate Program (FYUGP) will be conducted after we receive the new syllabus draft from the parent university.

Dr. Indulekha recommended establishing prerequisite credit requirements for corresponding academic levels. Additionally, she emphasized the importance of providing students with the flexibility to enroll in specific courses based on their comfort and interest.

The meeting came to an end by 12.45pm

Read and confirmed

Mr. Sam Rajan

(chairman)

Dr. Seema R

(Member Secretary)
