## Post Graduate Programme

- **Master of Arts in English**

## Research

- **Ph.D. in English**

The Postgraduate and Research Department of English at CMS College is one space that reflects the academic and cultural vibrance of the campus. Beyond patterns of regular academic interaction, the Department is the hub of multi-pronged activities such as national and international seminars, literary festivals, theatre and performance workshops and creativity enhancement programmes. The students are given exposure to develop and diversify, identify career, higher academic paths and have a firm footing into their future. The Centre for Health Humanities of the Department is an academic as well as social response to address situations of various challenges faced by individuals.
