- Textile Designers
- Product developers
- Ergonomic workplace designers

Guidance & Counselling

- Counsellors in Schools, Colleges and Child Guidance Clinics

Education and Administration

- Teaching faculty in schools and colleges
- Special educators
- Extension officers

'CMS College was a transformative experience that left an indelible mark on my life. Having grown up abroad, I was eager to immerse myself in a campus experience in Kerala, and CMS exceeded my expectations. Every day was a new adventure, filled with laughter, learning, and invaluable insights from my remarkable teachers, dear friends, and the vibrant campus itself. CMS was more than just a college - it was a catalyst for growth, self-discovery, and lifelong connections.'

Faseela Mohammed Rasheed

Dietitian, Women and Children hospital, Alappuzha (Dist)
Govt. of Kerala

'CMS College provided me with a strong academic foundation and practical exposure, shaping my journey toward excellence in my career. The faculty are not only knowledgeable but also incredibly supportive and helps to achieve personal & professional growth'

SONAL T Y

Dietitian, (Lisie Hospital Kaloor, Ernakulam)

'CMS College provided me with a strong academic foundation and a nurturing environment that helped me excel in my field. Graduating with a Bachelor's in Family and Community Science in 2022, I was well-prepared to pursue my Master's in Clinical Nutrition at the University of Roehampton. The institution's commitment to quality education and holistic development played a crucial role in shaping my career.'

Cathrine John Darees

Registered Nutritionist, Trinity Court Nursing Home,
London, United Kingdom.
